### Valley to Benefit From Additional Money Distributed

#### Cheques Being Forwarded To Shippers

MANY thousands of dollars will shortly go into circulation in the Okanagan Valley as a result of the closing of the apple pool, according to officials of B.C. Tree Fruits Ltd.

While it may be two or three weeks before growers receive their cheques, B.C. Tree Fruits announced that final account sales and cheques will go forward to shippers tomorrow or at least Saturday.

Apple pool returns will be about 42 per cent higher than last year, due largely of course to the smaller crop and the higher prices received for the produce. Subject to correction, it was stated the pool figure will be close to the previous estimate which was \$2.38 per box. From this, of course, must be deducted packinghouse charges which range between \$1 to \$1.25 a box, with the average being \$1.15.

In 1951, the apple pool was based on \$1.67 per box paid to the shipper. This year's returns will be 71 cents higher, or roughly 42 per cent. However, packinghouse charges also increased—roughly 10 cents a box.

While the 1951 crop totalled 4,475,000 boxes, in view of the fact cookers including wealthies were pooled separately, the figure on which final pool prices are paid, is based on a crop of 4,300,000.

Based on a 4,300,000 crop, the value of the apple pool will be around \$10,234,000. From this amount must be deducted packinghouse charges, which based on an average of \$1.15, leaves a total of \$8,984,000 to be divided among growers. However some advances have already been made to shippers and growers received these cheques some time ago. Advances were made to over \$2 a box.

#### FINAL SHIPMENT

In view of the fact Kelowna is the main apple growing centre of the valley, the Central Okanagan will benefit when the cheques are distributed. The last shipment of apples left the valley about two weeks ago. Since then the U.S. market has weakened, and while it has gained some time ago, advances were strength somewhat during the last (Turn to Page 8, Story 1)

THE COMING OF SUMMER is ending one of the greatest hunts ever waged, in Canada, against the coyote. Hundreds of the livestock killers have been wiped out this past winter by Canadian farmers who look forward to relief from the vicious animals for the first time in many years. Success of the mechanized war against coyotes is due largely to use of snowmobiles. Travelling over snow at 50 miles an hour in the tracked vehicles, the hunters are able to run down and shoot the swift bandits easily once they are spotted.

Ranging over the prairies, the coyotes long have been a source of financial annoyance to farmers. Smaller than the wolf and more jackal-like, coyotes are sly and stealthy, living in burrows and hunting in packs at night. During the winter, when game-birds, hares, chipmunks and mice are scarce, coyotes raid farmyards. Previously, each rancher would hunt them singly, on foot, bagging one or two at a time. Now with the first snowmobile, the coyote doesn't stand a chance against such mechanized warfare, as seen above.

### Brief To Transport Commissioners Outlines Advantages of Valley-Wide Natural Gas Pipeline from Kamloops

REPRESENTATIONS have been made to the board of transport commissioners by boards of trade and cities and towns throughout the valley, to have the natural gas pipeline routed from Kamloops through the Okanagan.

A brief pointing out the advantages of a valley-wide pipeline has been drafted, and it has been signed by representatives of every community, with the exception of Penticton.

At council meeting Monday night city fathers received a letter from Mayor N. S. Johnson, of Enderby, endorsing Kelowna's stand.

Commented Mayor J. J. Ladd: "Everyone has fallen in line with the exception of a few of our friends in the south."

Mayor W. A. Rathbun, of Penticton, earlier this week is alleged to have stated that he will not oppose the efforts of other valley centres to have an Okanagan pipeline, although he admitted a line from Kamloops south to the U.S. border would add appreciably to the cost. Penticton has been in-

formed there is a possibility that the pipeline may be run from the Kereenos north and that steps have been taken by a group of interested people in the formation of a Penticton Gas Company which would finance the cost of a pipeline.

Following is the text of the brief which has been forwarded to the board of transport commissioners: "Basically this pipeline is for the purpose of moving Canadian natural gas to the U.S.A. where it will help build up their economy."

"The natural gas would originate in Alberta and in the large area of north-eastern British Columbia which lies east of the Rocky Mountains. The present route is from the Peace River area to Seattle for the main pipeline, with a branch line for Spokane leaving the main pipeline near Bismarck, B.C. This branch line traverses one of the most thinly populated areas of Southern B.C. to cross the border near Oroville, Washington."

"We are writing you about the route of this branch pipeline to Spokane."

"According to the dominion bureau of statistics, Bulletin 1-7 the 1951 population in the area of British Columbia from Kamloops to Osoyoos is approximately 85,700. This includes the communities and surrounding districts of Kamloops, Vernon, Kelowna, Penticton, Oliver and Osoyoos. The population on the present route from Brookmere, B.C. to the point where the pipeline (Turn to Page 5, Story 3)

City Council may clamp down on outside entertainment shows making an overnight appearance in the city.

This was indicated following receipt of an application from Imperial Exposition, Venice, Calif., to appear here on September 21-23.

"If I think we should give the application a lot of consideration. We were criticized over the last show which came here," Mayor J. J. Ladd commented. "Mr. Bob Knox agreed that the entertainment value of the recent show was below par. The application was tabled for the time being."

COUNCIL MAY CLAMP DOWN ON SHOWS

Take it from the kids an indoor circus can be on the weekly bill of fare all year through.

Hundreds laughed themselves silly at the matinee yesterday in Memorial Arena, with the trained monkeys and Cy Riter and his alleged auto prompting a near panic.

The evening performance was practically the same but with less kids in the stands it lacked some of the afternoon zip.

Master of ceremonies Howard Hardin kept the show rolling along evenly and proved to be a versatile performer with a demonstration of adept juggling.

The two-hour show proved highly entertaining but with the majority of attendees the trained animals—seals, pelicans, penguins, monkeys and dogs—stole the show.

The final show comes off tonight at 8 o'clock in Memorial Arena. Then the indoor circus pulls out for a two-day stand in Penticton. It has already shown in Kamloops and Vernon and other arenas at the Coast.

Music for the local showing is being provided by the Kelowna High School Band, directed by Mark Rose.

Those who saw the show yesterday referred to it as "must" in the line of entertainment.

Circus Outstanding

### SPINE INJURY SUFFERED BY FIRE CHIEF

Kelowna has been without an up-and-hopping fire chief for two days.

Fire Chief Fred Gore is in hospital with a spine injury while Deputy Fire Chief Charles Pettman has been confined to his home with an ankle injury.

Chief Gore was hurt Monday night during the weekly drill for firemen when he dropped off a ladder, lost his footing in soft sand and fell hard to the ground, injuring a vertebra.

A banquet will be held Saturday night. Guest speaker will be John C. Wilson, of Vancouver. On Mothers' Day, to be observed on Sunday, several Gideons will occupy pulpits in local churches.

GIDEONS HOLD PARLEY HERE THIS WEEKEND

The Gideons, known for their bible and youth testament placing activities, will hold a convention in the Royal Anne Hotel this weekend.

A banquet will be held Saturday night. Guest speaker will be John C. Wilson, of Vancouver. On Mothers' Day, to be observed on Sunday, several Gideons will occupy pulpits in local churches.

Social Credit Target Of Criticism By CCF

TOM WILKINSON, seeking a seat in Victoria under the Canadian Co-operative Federation banner in the next election, began his campaign last night and it was the Social Credit party that got the brunt of the bombardment.

In contesting the South Okanagan riding, Mr. Wilkinson, who professes freely to being a farmer, often drew comparisons in certain phases of government in the three westernmost provinces. This was particularly true in the field of hospital insurance, in respect to which the CCF, if elected, will institute a scheme similar to that in Saskatchewan, according to Mr. Wilkinson.

"I am a firm believer in hospital insurance," proclaimed Mr. Wilkinson. "He stated the CCF advocates a rollback in premiums to the original rate and the abolition of co-insurance."

He added that a plank in the CCF platform would be special treatment for addicts to drugs and alcohol. "They can be cured and made useful members of society," asserted the speaker.

OIL REVENUES

Sacred claims to have reduced Alberta's public debt came under fire as Mr. Wilkinson maintained that the debt reduction was about equivalent to the increase in debt of municipalities in the province.

It was oil revenues that enabled Alberta to reduce its debt, Mr. Wilkinson claimed, but even without such revenue, Saskatchewan reduced its debt more, citing figures of \$56 million for Alberta and \$70 million for Saskatchewan.

He charged that B.C.'s people were "getting next to nothing out of the natural resources here," but he was extremely doubtful if any Social Credit government could get any more.

Mr. Wilkinson denied opponents' claims that a CCF government in B.C. would scare capital away and destroy the province's credit. He maintained that Saskatchewan was able to borrow at a lower rate of interest now than Ontario, Manitoba and B.C.

Turning to agriculture, "the backbone of the valley's economy," Mr. Wilkinson said a CCF government would see that costs of distribu-

Forecast—Sunny and warm today and tomorrow, light winds.

### Compromise Made In Store Hours

A series of meetings of city retailers has resulted in still another decision on late shopping but, it comes closer to the uniformity most of the merchants and all civic bodies, to say nothing of the buyers themselves, have been striving for.

Latest decision is to have night shopping for four months of the year. So from January to August 31, stores will close at 5:30 p.m. Saturdays.

From Sept. 1 to December 31, Saturday closing hours for all stores will be at 9 p.m. On other shopping days, apart from Wednesdays, closing will be at 5:30. Stores close at 12 noon Wednesdays.

COMPROMISE SOLUTION

The latest announcement was a compromise. Non-food merchants are in favor of night shopping once a week, some of them all year long. Food retailers are opposed to night shopping.

A week ago it was announced that non-food stores would stay open late on Saturdays beginning this month and continuing until the end of the year. This decision now has been changed, with late opening coming into effect in ALL stores Sept. 1.

### Active Campaign Planned By New Candidate

EX-MAYOR W. B. Hughes-Games last night was unanimously chosen to carry the colors of the Progressive Conservative Party for South Okanagan riding in the June 12 provincial election.

The man who guided the reins of the city for five years after serving as an alderman for eight years, was given a spontaneous ovation when he accepted the nomination at a meeting held in the Orange Hall.

Mr. Hughes-Games lost little time in planning an active campaign. Immediately after the meeting, he set machinery in motion that will take him to every part of the riding. A campaign committee is being formed; while election headquarters will be opened with in the next few days.

In accepting the nomination, Mr. Hughes-Games said he did so for three reasons: (a) that this constituency has not been properly represented for the past three years; (b) that Social Credit is "a direct threat to our way of life and freedom"; (c) that Hon. Herbert Anscomb is considered one of the outstanding political administrators and a man best qualified to lead the province.

"I pledge my loyalty to the Progressive Conservative party; my leader, and to my constituents," Mr. Hughes-Games declared.

The former mayor was nominated by Carl Nesbitt, of Summerland, and the nomination was seconded by Ald. Dick Parkinson, of Kelowna. Robert Robinson, partner in the law firm, Weddell and Robinson, has been appointed Mr. Hughes-Games' official agent.

Nomination of Mr. Hughes-Games completes the slate of candidates for South Okanagan riding. C. R. Bull is the Liberal standard-bearer; W. A. C. Bennett, Social Credit candidate, while Tom Wilkinson was the unanimous choice of the CCF.

"South Okanagan is an important riding and it behooves us to nominate a strong candidate, one of cabinet calibre," declared Mr. Nesbitt in nominating the Progressive Conservative candidate. He referred to Mr. Hughes-Games' outstanding civic record, and added that he "stands head and shoulders above the other candidates."

Mr. Parkinson stated the ex-mayor had done an outstanding job during his years as alderman and chief magistrate. "Everyone knows that Kelowna has been carefully planned, and the man who did the planning was Mr. Hughes-Games," he declared. Mr. Parkinson said the Conservative candidate had the qualifications, and more important, the courage of his convictions. "Unfortunately we have not had good representation in Victoria for some time," he stated.

Mr. Hughes-Games, in accepting the nomination, clarified a press report to the effect that he had been approached by the Liberal party as that organization's candidate in the forthcoming election.

"Even before the last election, I had been approached to run," he said. "When I retired as mayor, many more people came to me, and about a month ago, a representative of The Courier telephoned me and asked if I had heard that there would be a rumour to the effect that I would be asked to run as a Liberal candidate. I did say at that time that if any political party approach-

ed me I would give the matter careful consideration.

"Among the people who approached me were a number of Conservatives. Finally, when the pressure got so great, I said I first wanted to see the platform before subscribing to it. When I saw the Conservative platform, I fully agreed with the policies, with one exception and that is the BCHHS. I do have reservations on the hospital scheme. Whether we can run it on a non-compulsory basis, is something that will have to be investigated. Other than that I fully subscribe to all the other platform planks," he continued.

Mr. Hughes-Games said he has progressive ideas, "but I wish to preserve all the things that are most worth while." He said he is (Turn to Page 4, Story 2)

1,090 HOMES APPRAISED

During the month of April, the city assessors' department made 137 appraisals, according to a report tabled by J. E. Markle, assessor, at Monday night's council meeting.

Council was informed that prior to April, total of 1,000 appraisals were made. The entire city is currently being appraised, to bring houses up to a standard assessment scale.

Citizenship Week Will Be Observed By Staging Song and Dance Festival

THIS year under Rotary auspices, Citizenship Week will be recognized by the staging of the Third Annual International Folk Song and Dance Festival in the Memorial Arena on May 17. For the past two years this festival has been held in conjunction with "United Nations Week" which is celebrated in the Fall but as the ice is then in the Arena which handicaps proper staging and seating, the show was put off and the theme now will be Canadian Citizenship.

It is possible that on the night of the show several new Canadians of diverse racial origin will be presented with their Canadian Citizenship papers. This will no doubt be the first opportunity many in the audience will have had of witnessing the dignified proceedings.

Already ten groups of various racial origins have agreed to participate. Colorful costumes, haunting melodies and spectacular dances will dominate and another pleasing show is in the making.

As in the past seats will not be reserved, but ample accommodation is to be provided by additional seats on the arena floor which is now in place. Tickets are now available from all members of the Rotary Club.

Valuable publicity concerning Kelowna was aired over a Wocat-cha radio station recently when Board of Trade president Howard Paulkner was interviewed over the air.

Almost seven of the fifteen minutes was devoted to the forthcoming Kelowna International Regatta, to be held July 31, August 1 and 2. Keen interest in the Regatta was shown by Jim Wallace of the Wemutche radio station, who also participated in the broadcast.

W. B. HUGHES-GAMES

### EDITORIALS

#### Completely Confused Politically

This newspaper readily confesses that, like so many thousands of people in this province, it is completely perplexed by the confusion of political offerings now being made in this province. We see the vital need for a sound, sure-footed administration which will represent the majority of sober-minded and thinking citizens, and are aware that without properly constituted and virile parties no parliamentary system can function. Such parties, opposed as to the means but akin as to the aims of sound governance, must be supported by followers who believe in the fundamental principles for which they stand.

Sound governance is the first requirement and strong-party allegiance is undoubtedly second. The splintering of party support can only harm the parliamentary system; it can never uphold it, much less improve upon it. Within the party system the electors have the responsibility of choosing representatives upon whom they may rely.

One must express regret that so far the traditional parties—the Liberals and the Progressive Conservatives—have not done more to emphasize the foundation principles for which they stand; that would clear the issues of the day, and permit the electors to align themselves with what they believed to be right. Two of the newer parties have basic tenets which can only be put into expression on a national plane. Socialism would cross every provincial boundary. Social Credit is geared to monetary reform which no province as such can effect.

Mainly because so far the basic principles have not been emphasized sufficiently the four platforms now laid before the electors, in summary form at least, read amazingly alike in some of their specific pledges. No platform makes a serious attempt to suggest ways of cutting provincial expenditures, now at \$142,000,000 exclusive of loan bills. All four manifestos contain bright catch-alls to tickle the vote in all constituencies. All of them promise a success of studies, surveys and so forth to inquire into unsettled problems from the past. Yet, bearing on all must be, the undefinable effect of credibility. The traditional parties at least are not promising to do what no province could achieve. Both Progressive Conservatives and Liberals have some successes to report on the basis of performance, and there is undeniable strength in that. Yet a clearly defined program with a sound course of action does not seem to emerge from any of these offerings as they stand. Perhaps this omission will be repaired on the hustings. It will need to be if the electors are to be guided. British Columbia needs sound, not miraculous, government.

#### This One, Too!

In March the people of the Central Okanagan subscribed generously to the Canadian Red Cross annual appeal for funds and exceeded the district's quota by a substantial sum. In April they did likewise in the drive for funds to fight cancer. Now it's May and they are asked to raise \$50,000.00 as their share of the fight against Canada's Number One Crippler which is in a crucial round this month as the Canadian Arthritis and Rheumatism Society appeals for \$150,000 to carry on its work.

Taking a purely selfish attitude, let's look at just what this (Continued on Page 8)

## PEDLAR TEACHING INSTRUCTORS HOW TO COACH JUNIORS

George Pedlar of Vancouver, chief push in the B.C. Lawn Tennis Association's junior development program, is back in Kelowna.

He arrived yesterday for a concentrated period of instruction, aiming primarily at teaching coaches how to coach the juniors. Due to the little time at his disposal he is unable at the present time to coach juniors himself.

In the few days he can spend here he intends hopping from club to club, trying to spread his time equally among the Kelowna Lawn Tennis Club and clubs in East Kelowna and Okanagan Center. He is also laying foundations for a series of junior tournaments again, with the ultimate valley winners taking part in the B.C. championships at Vancouver.

He said, if finances can be arranged, it will be entirely a local matter, then the best juniors in respective clubs may be in for the odd trip or so to the Coast for inter-club matches.

## SPORTS SPHERE

### THREE AWARDS TO POWELL

## AHL Ace Hopes To Play With Boston Next Year

After another banner season, this time with the second highest league in the hockey world, Ray Powell is hopeful of making a second debut in the National Hockey League.

Back here last week after a harrowing trip home from the playoffs and loaded down with the bulldog's share of the American Hockey League's individual 1951-52 awards, Powell sees a good chance to move up to the Boston Bruins.

Still the property of the Providence Reds, Powell last week was announced as the winner of the league's most valuable player award. Earlier he was the unanimous choice of the selectors for the centerman on the all-star team.

And still earlier, as the league play concluded, Powell was well atop the scoring parade with 97 points, leading all playmakers with 62 assists and just two off the pace with his 35 goals. Steve Wochy of Cleveland Barons scored 37 to top the snipers.

Powell and his wife, Cecelia, both still showing effects of the motor accident in which they were involved near Tiffin, Ohio, arrived by train after a flight from Toledo to Edmonton on an Alaska-bound plane.

### REFUSE TO INDICT

The pair were allowed to leave Tiffin though the driver of the auto, in which the Powells were riding, was facing a charge of second degree manslaughter following a fatal accident near Tiffin. With both her parents—Mr. and Mrs. L. Shappert—in hospital here, Mrs. Powell, along with her husband, were permitted to head for home as soon as she was able to leave the hospital.

Mrs. Powell had her cheek fractured in five places in the crash. Ray was badly jarred and had his shoulder bruised. Powell had been away from here since last September while Mrs. Powell joined him about a month ago, leaving the three children in charge of friends.

RAY POWELL

a player with the Providence Reds—is presumed free after a grand jury last week returned a "no bill" on the manslaughter charge. This amounted to a refusal to indict him.

**BOTH INTO DITCH**  
Powell, not too anxious to talk about it, explained that Michaeluk was attempting to pass a large truck approaching a slight grade on top of which was a railroad crossing. The truck driver signaled with his lights that an auto was approaching in the opposite direction but Michaeluk was unable to get back behind the truck in time.

Michaeluk headed for the ditch and the driver of the other auto did likewise simultaneously. The two vehicles crashed head-on, damaging them both almost beyond reclamation. The driver of the second auto, John W. Tewart, 27, of Tiffin, was hurled from the car, his head striking the hubcap of the Michaeluk car. He died within three hours from a skull fracture.

Michaeluk subsequently was fined \$40 and costs for driving over a center line on the highway. His brother, John, also with Providence Reds and with Spokane Flyers two years ago, also was injured in the crash. He still was in hospital when the Powells left Tiffin, suffering from a fractured arm and other injuries. A passenger in the white car received minor injuries.

### MISSED TWO OTHERS

A news release from AHL headquarters in New York states that Powell pocketed \$900, or \$300 each for the three awards. "It was probably by only a strange twist in his career and the abolishment by the league of another award that he

didn't annex two other citations and another \$600 in bonuses," the release went on.

"Powell spent only six minutes in the penalty box and would have been a leading candidate for the erstwhile Jack Fox Memorial Trophy, which formerly was given to the most gentlemanly player in the circuit, but which was done away with for the 1951-52 season."

"If it had not been for the fact that Powell played 31 games for Chicago in the NHL in 1950-51, he would also have been eligible for the Dudley Red Garrett Memorial Trophy, symbolic of the season's outstanding rookie."

"Although he first entered the American league as far back as 1943-44 with Pittsburgh, he only played a total of 18 games in that and two other seasons before going to the now defunct United States Hockey League where he spent most of his career."

"This would have enabled him to be considered for rookie honors this year, as league rules state that to be eligible for the rookie award a player must not have played more than 20 games in previous seasons in either the American or National leagues. Thus his half a season with Chicago last year prevented the possibility."

The Powells are looking for a furnished house now before he takes on an off-season job. He intends to play football with the rest of the hockey players on the Sunshine Service team as soon as his injured shoulder heals.

## No-Names In Torrid Pace Next 8 Days

Four games within eight days faces the still unnamed Kelowna senior baseball team.

The two-day pace begins Sunday when the faltering Kamloops Elks make their first appearance here. Elks have yet to win in three starts while Kelowna is seeking a victory after two losses in a row. Game time is 2:30.

Ball fans then get a midweek game thrown at them when the high-flying Oliver Elks show here Wednesday. Kelowna will be in contention for a night game next Saturday (May 17) and in Oliver the next Sunday (May 18). The May 17 game in Penticton is a return exhibition due to exchange for the game here Sunday.

Probably most of the attention in the Okanagan-Mainline loop will be focussed Sunday on the Penticton-Oliver hockey for league leadership. Unless the bout ends in a draw one of the two will tumble from the undefeated ranks and the other take over sole ownership of the top slot.

Meanwhile the contest to choose a name for the local nine goes on. A vote for the local nine goes on. A vote for the local nine goes on. A vote for the local nine goes on.

Deadline for getting your choice of a name in is 5:00 p.m. May 20 (12 days from now).

## CHIEFS SQUEEZE OUT TRIUMPH IN '52 DEBUT

Kelowna Chiefs got off on the right foot in the South Okanagan Junior Baseball League debut for '52 but it was only by the skin of their teeth and a large dose of good luck.

All but tamed by Bill Splay on two hits, the Chiefs got two runs on a succession of walks and bunts in the seventh (and final) inning to eke out a 3-2 verdict. The Veron boys appeared to be rallying in the bottom half of the seventh but the uprising was nipped with a tag-out at second base. Barry Smith was the winning pitcher, with Culos the other half of the battery.

Chiefs, still far from a well-knit unit and with only one actual workout under their belt in addition to Sunday's game, take on a tough assignment this Sunday when they show in Summerland. The Red Sox there have consistently been in the forefront of junior baseball—until last year, that is. Chiefs captured the league title last year and then were knocked out of an unofficial B.C. playoff by Vancouver.

## PENTICTON GAINS JUMP IN ANNUAL HORN-LATTA PLAY

Kelowna shotamaths are down in their annual tussle with Penticton, but they've overcome larger obstacles in the past. So they're anything but downhearted after taking a 21-10 loss on the day's play at Penticton Sunday. Second half of the Horn-Latta match will come off here August 17. Local dividers have only memory to call back on but the consensus is that the times Penticton has won the Horn-Latta in the past 15 years could be counted on one hand with a couple of fingers missing.

## FISHING IN VALLEY LAKES AND STREAMS

BY JIM TREADGOLD  
(Prepared from week-end reports from fishermen, camp operators and through personal trips. This is published with a view of possibly guiding others who are planning a fishing trip. Mr. Treadgold welcomes reports from anyone.—Editor.)

With the majority of lakes in this district opening to trout fishing May 1, this popular summer pastime will be all the rage shortly. The roads into the mountain lakes are drying up well for so early in the season and, barring a rainy spell, it is expected that all lakes will be fishable by the 21st.

The first mountain lake clear of ice was BEAR LAKE and operator BILL GORDON was in to report that the camp will be open Saturday. He said nine fish were taken by one party Saturday and that the road is in good condition.

Better catches were reported by several parties fishing WOODS LAKE last week-end. It appears that more trout than Kokanee are being taken. With the weather warming up this should be a good spot all month. FRED DOWLE and HARRY MCCLURE both reported fair luck on KALAMALKA, fishing off AMORY CAMP.

OKANAGAN LAKE for the most part has been slow in this area. MR. OBY and DAVE MILNE report a few nice fish taken between the Aquatic and Mill Creek. I have been told that fishing in the PEACHLAND-SUMMERLAND area has been much better. Game Wardens in either the Aquatic or National areas reported a 19-pounder was taken lately and that fishing is good around the Summerland district.

### OPENED MAY 1

The ice has been breaking up on the McCULLOCH lakes and fishing will begin there shortly. All the lakes in the McCulloch area, including CARIBOO LAKE, opened May 1 this year.

NICK KRIMMER reports the camp will be open at POSTILL LAKE by the 20th. BEAVER LAKE and DEER LAKE camps should be ready to go when the season opens up there on the 21st.

Reports from ECHO LAKE at LUMBY were poor last week but warmer weather should bring this early spot in also. SHANNON LAKE has been giving up a few large-mouthed bass.

HOWARD CLARK, operator of the FISH LAKE camp near SUMMERLAND had an interesting set-up there. There are other lakes close by, like MUMBO, DEER, ISLAND and BIG and LITTLE ENEAS all available for fishing. The lakes are connected by a private jeep road with boats and cabins available at the outlying lakes.

Folders on the above resort and also on most of the resorts in the Central Okanagan area can be had for the asking. Treadgold's also have a guide map for free, showing all of the fishable lakes in this area.

## RUTLAND LOSES CLYDE MCKENZIE

If Rutland Baseball Club starts missing on one cylinder it will be because one of its sparkplugs is gone. Clyde McKenzie, secretary-treasurer, scorekeeper and publicity man, has left this district for Salmo in search of employment. McKenzie was laid off by Simco during the winter and has only had part time work since then. Adanacs now are looking for a new secretary, realizing it will be almost impossible to find someone as willing to fill the capable shoes of McKenzie.

McKenzie has a flair for writing and most of the accounts of Adanacs during the past few years were submitted by him. His latest story is on page 6, second section.)

## Packers Also (Sun) Shine As Hustling Softball Nine

Turning from winter wars to softball shenanigans, the Packers, dressed in summer raiment and called Sunshine Service, proved adept-plus by lacing CYO 11-6 Monday in the Kelowna and District men's softball league opener.

Jim Lowe was the winning pitcher, helping his own cause with his club's only home run. Johnny Weniger was the loser. The CYO boys are definitely on the young side this year, with many of last year's stalwarts playing with other clubs.

### GET POWELL, TOO

Ray Powell, with CYO last year, says he intends to turn out with the other pucksters as soon as his injured shoulder permits. Sunshine Service, sponsored by Sig Scherle, had this lineup Monday: Lowe, p; Jim Middleton, c (also organizer); Joe Kaiser, 1b; Phil Hergeshelmer, 2b; Bo Carlson, 3b; Mike Daski, ss; Brian Roche, lf; Stu Robertson, cf; Frank Kuly, rf. Possible re-alignment once Powell gets into action would be with Ray at first, Kaiser taking over at short and Daski becoming utility outfielder. Daski also is a pitcher.

**TIGERS BEGIN WORKOUTS**  
VERNON—Vernon Tigers, one-quarter of the Interior senior B lacrosse league make-up, began workouts last week. Rolfe Sammartino is coaching.

HOME FREEZER made up as a finished job, complete with freezer Unit (Painted inside and out)

**\$565.00**

You can build your own Deep Freezer from plans supplied by us; or we can ready-cut the parts for you; or we can supply the complete assembled Freezer. We can supply a W. T. Husband Refrigeration Freezer Unit. This unit can be easily installed yourself right from the crate into the Freezer. IT DOES NOT REQUIRE THE SERVICES OF A REFRIGERATION MECHANIC. It's the simplest, most foolproof, and yet the most reasonably priced Deep Freezer deal on the market!

All materials required for Freezer box .....\$105.00  
(You do the cutting and assembling)

Husband Refrigeration Freezer Unit .....\$360.00

Total Cost.....\$465.00

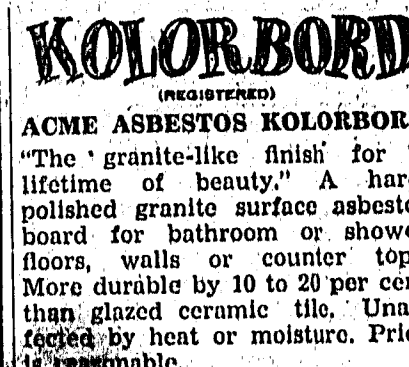

(If materials cut to size \$5.00 extra)

The Tub-Kove Vinyl Plastic Sealing Strip provides a durable and attractive seal between junctions of wall and tub. It's easy to apply, easy to clean.

### STUCCO PAINT

"REZICOTE" the ideal paint for stucco, concrete or brick. Available in five colors and white. Mixes with water. One gallon makes a gallon of paint. Will cover 200 to 450 square feet. A synthetic resin emulsion. No surface wetting necessary. Tested and proven by The KSM Paint Division.

"OSMOSE" a compound of four powerful wood preservatives plus high grade creosote. Prevents rot and decay. Any wood in contact with the ground should be Osmosed. Applied to fence posts just above and below ground level. One quart treats 20 to 30 posts. Quarts or gallons.

### SCREEN DOORS

2'6" x 6'0"  
2'8" x 6'8"

## OUT OF PLANE, IN AGAIN, IN MID-AIR

—Central Press Canadian

TWO OF THE HAPPIEST men in Korea are U.S. air force Captain Fred C. Seals, Jr., of Dallas, Texas, who exhibits his broken leg, and Sgt. Edward E. Duncan, of Miami, Florida, who autographs the cast. Seals, a transport pilot, was working with his plane crew in showing parachute cargo through the door of a pitching airship high over a Korean mountain top, when the aircraft suddenly hit swirling airpockets and dropped. Suddenly relieved of the pull of gravity, Seals floated out the door of the plane and found himself in midair. During another lunge of the plane, Seals found himself once again inside the plane. On the next pass, he was slammed up against the ceiling of the plane and when he came down a 300-pound cluster of gasoline cans lit on top of his foot, breaking it. Sgt. Duncan, who floated around inside of the plane during this time, was pinned down by a rubber life raft weighing 250 pounds, and was uninjured.

## Directors of BCFGF Meet For Last Time on May 15 To Name Executive Heads

FOR the last time, directors of the BCFGF will meet May 15 to elect a president and other executive members and to recommend names for election as governors of B.C. Tree Fruits Limited and directors of B.C. Fruit Processors Limited. The meeting will follow the annual meeting of the delegates to the B.C. Fruit Board which will be held in the board room of B.C. Tree Fruits, starting at 10 a.m.

Hereafter district councils will name representatives on the executive and recommend nominees for governors of B.C. Tree Fruits Limited and for directors of B.C. Fruit Processors Limited.

The members of the executive and president, elected by the directors May 15, will hold office until the revised bylaws take effect at the 1953 convention.

The executive, under the new bylaws, will consist of the president and seven other members to be elected by the district councils and shall constitute the "Directors" of the B.C.F.G.A.

### NO LONG RANGE FORECASTS

Hon. Lionel Chevrier, minister of transport, Ottawa, has written the B.C.F.G.A. that his department's plans "to have the long range weather forecast service in operation by certain target dates, have been seriously affected by circumstances beyond our control."

"We had felt that such plans were well in hand a year ago, and that a firm target date could be given. However shortage of technical personnel resulting from reduced recruitment, together with an unanticipated increase in the demands for professional meteorological staff to fill the needs of the department of national defence has further delayed the development of the service. A critical appraisal of our existing and anticipated professional manpower, and our organizational problems, indicates that long range forecasts cannot now be expected before the spring of 1954."

"I do appreciate the continued interest of your organization in long range forecasts and you may assure your members that I will have the service commenced at the earliest possible date."

### TIMBER SUPPLY

C. D. Orphard, deputy minister of lands and forests, has informed Secretary Jack MacLennan that the minister has been concerned for some years past about the timber supply for the Okanagan valley.

"The problem has been under active review and we are endeavoring as rapidly as circumstances and staff will permit, to place all or most of the Okanagan valley on a sustained yield working plan, which, at least, will assure that the liquidation process is stopped."

"We cannot, of course, replace the stands of timber that have been removed in past years, but a sustained yield management program, as rapidly as it is introduced, will ensure the future as fully as existing conditions on the ground will permit."

### VERNON PARLEY

All primary producers are invited by the directors of the B.C. Federation of Agriculture to attend their open sessions which will be held in the ball room of the Allison Hotel, Vernon, May 28, starting at 10 a.m. The directors will hold a closed meeting May 27.

### MOVABLE CHURCH

PATILLOW, Sask. — (CP) — St. Augustine's Roman Catholic Church, built on Joe Boulanger's farm in the Pielt Springs district in 1918, has been moved into this village to be re-erected on a vacant lot.

### DIG RESCUE EFFORT

CANDO, Sask. — This Saskatchewan community is aptly named. Seven men with a tractor, a team of horses, a tripod and ropes and chains managed to rescue an 18-year-old cow after it fell down a farm well in the Rosetown-Biggan section.

## CONSERVATIVES AT WESTBANK NAME OFFICERS

WESTBANK—Delegates appointed to attend Wednesday night's

South Okanagan Progressive-Conservative Convention were ap-

pointed at a meeting of the West-

bank Progressive Conservative As-

sociation held Monday evening.

Delegates were Mrs. R. A. Pritch-

ard, Mrs. L. Gaddes, N. H. Lightly

and W. H. Hewlett.

Officers elected at the Westbank

meeting for the ensuing year are

president, Mrs. R. A. Pritchard;

vice-president, Len Gaddes and

secretary, Mrs. F. W. Clarke.

Mrs. Pritchard spoke with great

enthusiasm of the executive meet-

ing held in Vancouver when the

two hundred delegates present rose

and repeatedly cheered Mr. An-

comb.

She felt the platform was honest,

clear and concise. No effort was

made to camouflage its true mean-

ing and the simplicity of the word-

ing made it understandable to all.

It was a platform which the party

meant to stand by—not just a vote-

catcher.

Those elected to the executive

were W. H. Moffat, W. H. Hew-

lett, Mrs. A. C. Hoskins, and Mrs.

R. Unwin.

At the outset of the meeting, C.

G. Beeston, president of the South

Okanagan Progressive Conservative

Association, gave a resume of the

recent convention held in Vanco-

uver when the 13-point election plat-

form was hammered out by dele-

gates.

While Mr. Hughes-Games served

on the City Council for 13 years,

five of which as Chief Magistrate,

this is his first bid in provincial

politics.

Probably no other mayor of this

city witnessed so many progressive

steps during a term of office as did

Mr. Hughes-Games. During his

five years as mayor, the city de-

veloped the industrial area in the

north end of Kelowna; provision

was made for a civic centre site;

the Kelowna and District Memorial

Arena, City Hall, David Lloyd-

Jones Home, Curling Club and

Yacht Club were all constructed

during Mr. Hughes-Games' term of

office. In addition, the city

launched on a long-range street

paving program, while parks and

playgrounds were developed. The

former mayor was also responsible

for inaugurating a rigid mosquito-

control campaign.

Mr. Hughes-Games has probably

served on more committees than

any other community-minded citi-

zen. Before the formation of the

BCHS, he was vice-president of

the B.C. Hospital Association; he

was on the board of directors of

the Kelowna General Hospital for

five years; a member of the Board

of Trade executive for a number

of years; two years chairman of the

Okanagan Union Library which

extends from Salmon Arm to the

border; chairman of the Okanagan

Flood Control Committee for

around four years; a member of

the executive of the Okanagan

Valley Municipal Association, and

this year was chosen president of

the Kelowna Canadian Club.

CHURCH WORKER

Mr. Hughes-Games is also an ac-

tive member of the St. Michael and

All Angels' Anglican Church. He

has served on the vestry for a

number of years; was superintendent

of the Sunday School for five

years, and has been a delegate to

the Anglican Synod on a number

of occasions. He is also a delegate

this year.

Born in Birmingham, Eng., in

1880, Mr. Hughes-Games was edu-

cated at Birkenhead School; King

Williams' College, Isle of Man, and

at Shrewsbury School. He served

his business apprenticeship in

Liverpool with a cotton merchants'

firm, coming to Canada in 1911. He

was in business in Vancouver until

# Shop Talk

by MIL CRITTENDEN

NOW IS THE TIME FOR ALL GOOD MEN . . . (and sons and daughters, too) . . . to choose a sentimental token for Mother's Day. Mothers are such sweet and sentimental persons. Some of them cry at the movies and some of them listen to soap operas . . . and almost all of them get shaky stars in their eyes when they open a Mother's Day present.

Whether she's the brand new mummie of your favorite cherub . . . or a much loved grandma of six or seven . . . she'll cherish a gift from you this Sunday, May 11th. While any gift, from any source, will be received with deep appreciation . . . you know how the ladies, bless them, do treasure a thoughtfully chosen gift. In SHOP TALK today you'll find some hints to guide you on this sentimental mission. But only YOU can decide which is the perfect gift for your own special Mom.

## TO MOTHER: WITH LOVE . . . something special from FASHION FIRST

Maybe she wants a bright chiffon scarf . . . perhaps she would love to have a light and airy nylon blouse . . . or could it be a dainty, lace-trimmed slip that she has been longing to own? Whatever her heart's desire, you'll find it in Mom's size at FASHION FIRST. But do make it something pretty, please, for Mother. Something to delight her feminine heart.

Here's one "sure fire" gift suggestion from FASHION FIRST. Cobweb-sheer hosiery, gift packaged in a sparkling plastic jewel box. These "Holeproof" nylons are sheer, glamorous and flawlessly perfect from top to toe! In smart colors keyed to summer's costume tones. They're priced at \$1.75 the pair. When you buy three pairs, the plastic case is included without charge. Yes, lingerie of every kind, summer gloves and bags, these are just a few suggestions and there are dozens more at FASHION FIRST . . . waiting to be wrapped and ready for Mother on her day.

HOME IS WHERE HER HEART IS! Mother takes well-deserved pride in her home . . . cherishing the treasures she has . . . welcoming little gifts that add to her collection of china or bric-a-brac. That's why MCGILL & WILLITS urge you to visit their gift shop on the Mezzanine floor. MCGILL & WILLITS, of course, feature an abundant choice of chocolates and confections that make delightful gifts. But if you gave her one of those last year, perhaps you're looking for something just a bit different.

Do see the myriad of charming items in pottery, china and glass that will be a lasting delight for Mother. Toby jugs, beautiful English china cups and saucers, unusual figurines, hostess trays, salad sets, ash trays, many more. And consider the crisp new playing cards, score pads, dainty serviettes . . . so many things to help her entertain graciously. Then she'll give you an extra hug and kiss when she opens her package from MCGILL & WILLITS . . . for she knows their Mezzanine Gift Shop is famous for distinctive home accessories.

EVERYTHING from frothy blouses to snowy white spring gloves! That's the selection at ELEANOR MACK'S . . . gifts to help you make May 11th more exciting, more memorable than ever before. You can choose with confidence from this distinctive group of accessories. Washable hand-sewn gloves, perma-pleated scarves, fashionable belts, handbags, handkerchiefs lavished with lace . . . all dainty bits of femininity that make her feel pampered and loved. Yes, you can choose something unusual and chic at ELEANOR MACK'S . . . and at surprisingly little cost.

A GIFT CERTIFICATE from ELEANOR MACK'S will rate you high for thoughtfulness this May 11th. Then Mother can have the fun of choosing a new hat from the gala collection at ELEANOR MACK'S. There's the perfect chapeau for every taste . . . whether she's the young-est mummie in Kelowna or the most dignified matron!

SWEETS TO THE SWEETS . . . and to Mom this Mother's Day, a china bon-bon dish heaped with luscious chocolates from SHAW'S CANDIES. Mother's Day is an extra special day at SHAW'S CANDIES. For days ahead there's a flurry of activity in the candy factory. Fresh butter and cream are used with a lavish hand as scrumptious chocolates are whipped up. And busy fingers are doing them up in beautiful gift packages. The wrappings themselves are a confection of gleaming ribbon, lacey bon-bon paper and a topping of make-believe posies!

You'll find dainty cups and saucers, brimming with tempting chocolates, 95¢ to 1.95. A pleasing assortment of bon-bon dishes, some in quaint pottery designs, some in Royal Albert china, all heaped with fresh chocolates. Chocolates in lovely circular cases that she'll keep for a jewel box! Don't wait until it's too late. Remember, Sunday is Mother's Day and NOW is the time to select your gift at SHAW'S CANDIES.

This is the season when . . . suddenly . . . beach umbrellas mushroom up. There's a carousel of sunny colors as lawn and terrace furniture brightens up Kelowna yards. Get yours now at Mac & Mac's . . . it's just the ticket for a vacation in your own back yard. Just the look of this lawn furniture picks you up like a cool drink on a hot day. So this summer . . . be good to yourself. Stretch out in comfort on a full-length sun cot. Get in the shade of a sun umbrella. Relax with the neighbors on rattan chairs and deck recliners and enjoy every minute of our famous Okanagan summers!

At MAC & MAC'S right now there's a most outstanding group of summer furniture. These are budget-easy values, every piece solidly constructed for long life, designed for easy storage. Everything from bird houses and garden ornaments (locally made) to adjustable sun cots and umbrella-and-table sets. Ask about them at MAC & MAC'S. P.S.—Get sturdy, colorful canvas duck—sold by the yard—to redo your own deck chairs, etc.

SALAD DAYS are here and the produce section at SUPER-VALU is banked with crunchy red, raddishes, heads of crisp green lettuce . . . bright tomatoes, cucumbers, new green onions. They're garden-fresh and delectable . . . just waiting to be tossed with a tangy salad dressing!

Even Shakespeare talked about "Salad Days" . . . meaning "youth." Salads have always stood for youth, health, sparkling vitality. Modern knowledge of nutrition can explain all this . . . for fresh salad vegetables are packed with life-giving minerals and vitamins. Spring is the time of year when we can't seem to satisfy our appetite for salads. The family will welcome them meal after meal. And there's a sound reason for this. It's nature's way of telling us that after long winter months we're just a bit "run down." Lack of sunshine, too little fresh air, have taken a toll on health. Now we need a diet that's rich in health-giving vitamins. This week-end, look to SUPER-VALU for wonderful values in fresh produce . . . and for a tempting assortment of salad dressings. P.S. See SUPER-VALU's big ad for wonderful news about a steak "special"!

More news and views about food buying from dietitian, Peggy Dillabough. This is a good week-end to enjoy a cut of beef, Peggy says, as beef prices have come down a bit, are holding steady for the moment, but will probably start to go up again next week. The new outbreak of foot-and-mouth disease on the prairies is bound to force the price of beef up again.

Pork is still very reasonably priced and the quality is particularly good right now. The pork season seems to be at its peak as more lean hogs are being butchered now. That, of course, means choice quality pork. There's plenty of veal on the market now and it's come down 3¢ a pound. Lamb is down a bit too, and promises to be plentiful in the weeks ahead as there's an abundant supply of spring lambs on the prairies this year.

The local green onions are cheaper, too, than they have been. There's lots of local rhubarb now and it's very reasonably priced.

Newspapers: There's fresh shrimp and herring in Kelowna stores this week. And here's something you can keep an eye out for! Fresh cantaloupe and strawberries are now selling in Vancouver and should arrive in Kelowna any day now.

## MOTHER, DAUGHTER BANQUET HELD BY CGIT GROUPS

Bouquets of spring flowers decked the tables at which approximately 100 members of the CGIT and their mothers were seated for the annual CGIT Mother and Daughter banquet on Monday night at the First United Church hall.

The girls which were arranged in groups decorated their tables with miniature decorations which signified the phase of their particular work. At the head table was a model church, with untrained girls entering the back door by way of one path, and coming out the front door, leaving on several paths to represent the different fields of work for which they were trained. A miniature garden, complete with lily pool represented God-Through

Chimes rang out at First United Church here Saturday evening for the wedding of Eunice Adele (Dell) Tilton, local music teacher, to Mr. John Gordon McDonald, of Edmonton, Alberta. After the 7:30 o'clock ceremony, the chimes were again rung as the bride and groom left the church to discover one of the Okanagan's pioneer stage coaches awaiting them for the drive through the city to the Willow Inn, scene of the reception.

The choral candlelight ceremony, at which the bride was given a wedding ring made from her maternal great-grandmother's wedding ring, was performed by Rev. R. S. Leitch and Rev. D. M. Forby, against a background of spring bloom. Principals stood before a bower of pink and white peach and cherry blossoms, flanked on each side by tall lighted white tapers. Baskets of tulips and fern were set amid candles across the front, while pink tulips and white satin bows adorned the guest pews.

The senior choir, of which the bride was a member for six years, led the processional, and sang "The Lord's My Shepherd" during the signing of the register. Dr. Ivan Beadle, organist, played the wedding music.

The bride is the only daughter of Mr. and Mrs. Maxwell J. Tilton, 355 Park Avenue, Kelowna, while the groom is the only son of Mr. and Mrs. Gordon A. McDonald, of Edmonton.

Entering the church on the arm of her father, the bride was wearing an exquisite gown of white French imported lace modelled on princess lines over gleaming white tulle. Her hair was styled in a soft, wavy, and brilliant necklace, with matched earrings. A band of rosepoint lace and seed pearls, which had been worn by the bride's mother at her wedding, held her fingertip tulle veil, and she carried a cascade bouquet of red roses, stephanotis, and lily of the valley.

Four attendants, all in spring pink shades, preceded the bride down the aisle. Maid of honor, Miss Eleanor Riches, of Vancouver, wore pale pink nylon net, the bouffant skirt featuring a cascade of frills on one side, and the strapless bodice, topped by a matching cape with pleated edging. She wore a Juliet cap of matching net, and carried a semi-crescent bouquet of sweet-heart roses, white tulips and white carnations.

Bridesmaids Patricia Mackenzie

## Church Bells Ring Out For Wedding

Left to right: James Law, Edmonton, best man; John McDonald, groom; Mrs. McDonald, bride; Eleanor Riches, Vancouver, maid of honor; Margaret Drummond, bridesmaid; Pat Mackenzie, bridesmaid; Russell Crowley, usher; Harold Marshall, usher; little flower girl, Wendy Williams.

and Margaret Drummond, were groomed alike in deeper pink satin and net over tulle, with which she wore a metallic straw hat and other accessories en tone, complemented by a corsage of copper and yellow roses. Mother of the groom wore a dress of burnt orange-toned lace and net over tulle, with which she wore a metallic straw hat and other accessories en tone, complemented by a corsage of copper and yellow roses.

Pink and white colors were carried out again in the bride's table, where the prettily-decorated three-tiered wedding cake was laid on the white cutwork cloth, and tall white tapers and a bowl of pink-tipped white tulips completed the setting.

Freiding at the urns were Mrs. L. McMahon, of Winnipeg; Mrs. Turner Fumerton, Mrs. K. Williams and Mrs. D. A. Perry. Assisting with the serving were Misses Irene Burnett, Thelma Smith, Vivian O'ferdahl, Gwyneth Foulds, Mary Margaret Povah, Frances Oatman, Diane Fumerton, and Lillian Mackenzie.

BRIDAL TOAST Among the numerous toasts, was the bridal toast proposed by Mr. C. M. Hornor, and also a toast to the oldest bride present, Mrs. J. P. Fumerton, made by Mr. Hugh Cumming, of Edmonton. Miss Frances Oatman sang "Till We

## KELOWNA PTA HOLDS MEETING MONDAY NIGHT

The regular monthly meeting of the Kelowna P.T.A. will be held at the Junior High School on Monday, at 8:00 p.m. There will be reports from the Kelowna delegates who attended the teacher's federation convention in Vancouver at Easter and those who attended the P.T.F. convention in Kelowna. Mr. S. J. M. Currie, who recently returned from three years in South America will show color films taken in Ecuador and Peru, with an interesting commentary.

The executive would like a full discussion of plans and new ideas for next year's meeting and extend a welcome to all members and friends to attend and enjoy the evening and the social hour in the lunch room.

## BIRTHS

EXCLUSIVE TO HEATHER'S

ORION — BY DEJA NOW AT HEATHER'S

These dresses have a pale and interesting color-blend pinks, palest aqua. Deja's most enchanting late-day costume, comes to YOU in a turquoise shade, the skirt beautifully full, with perma-pleating all the way around. Bars-topped with bust-length jacket, one of the most newsworthy dresses at Heather's. Be fabric wise, be style wise, be price wise.

IT'S SPRING — AND WOULDN'T YOU KNOW IT?

Wouldn't you know it by the blue of the sky, the silk in the breeze—by the sparkle and radiance of these springtime dainties by Deja . . . and are you not glad that Deja designs dresses that really fit you? Beige and beautiful blues? Y necklines, three-tucked pockets, buttons, cape sleeves. Deja's popular prices \$22.00 to \$35.00.

### NEW PRINTS IN MOTION

Deja's most splendid use of robe and navy. A combination of high imagination and low price. This 2 piece robe Failla has an overall print of Navy. Fleur-de-lis. The skirt is vialle, the waist is dynamic. This is equal to the announcement that Deja is entering into an era of extraordinary feminine fashions.

### AN ALL TIME FAVORITE

The classic tailored dress. Deja endorses fine mesh with pale pastel shades, Maise or Pink. They're first spring essentials, so fresh, so cool looking. Neat boned collar that disappears in back, sheath skirt, diminished waist ringed with a soft belt. Figure forming bodice with pockets. The sum adding up to a couldn't-be-ampler look. A low and lovely \$20.00.

Sincerely Heather

HEATHER'S LADIES' WEAR 243 Bernard Ave.

## SPRING FLOWERS DECORATE CHURCH FOR WEDDING

Daffodils, tulips and spring flowers created a lovely setting in the First United Church for the marriage of Madeline Johns to Robert Hunter Thomson, Wednesday, April 30. The bride is the youngest daughter of Mr. and Mrs. George Johns, 228 Glenn Avenue, Kelowna, formerly of Winnipeg, while the groom is the son of Mr. J. Thomson and the late Mrs. Thomson, of Edmonton.

To speak her vows before Rev. R. S. Leitch, the bride wore a princess styled gown, with lace yolk and panel trimmed with applied

lace flowers to hem, which had a pleated ruffle on train. The lily-pointed sleeves also had applied flowers at the wrists. The bride wore a finger-tip veil held by a halo effect headpiece and carried a bouquet of tiny sweetheart roses and stephanotis, centred by a white orchid. She was given in marriage by her father at the 5:00 p.m. ceremony.

As matron of honor, the bride's sister, Mrs. W. Pallidwor, wore a mauve taffeta ballerina length dress with net overskirt while three bridesmaids, Misses Meri, Carol Johns, and Marion Pallidwor, nieces of the bride, wore yellow, blue and peach respectively. Tiny roses to blend with their dresses were worn in their hair and they carried tiny

colonial bouquets and spring flowers. Mr. Elias Johns was best man while ushering the guests were Mr. W. Pallidwor, Mr. N. Kouri, Jr., and Mr. A. Salloum.

Soloist, Mrs. Joyce Monford, sang "Through the Years," accompanied by Dr. Ivan Beadie at the organ. Following a dinner for 23 relatives at the Royal Anne Hotel, parents of the bride, assisted by Mrs. Karoff and Mrs. Pallidwor, received the guests at their home.

For her daughter's wedding, Mrs. Johns, Sr., wore a blue-grey lace princess style dress and black accessories. Her corsage was red roses.

The bride's table was centred with a three-tiered wedding cake surrounded by white tapers and

flowers. Mr. S. Zaccour proposed the toast to the bride to which the groom responded. Telegrams from Vancouver, Edmonton and Winnipeg were read.

Mrs. H. Ashton, Miss Carol Nilsson and niece of the bride assisted in the serving of refreshments.

Out of town guests included Mr. and Mrs. E. Johns, Carol, Lois, Meri and Teddy, of Winnipeg; E. Spearman, Winnipeg; and Mr. and Mrs. N. Kouri, Sr. N. Kouri, Jr., Ponteix, Sask.

For their honeymoon to Vancouver, Tacoma, Edmonton and Winnipeg the bride changed to a powder blue gingham tailored suit with neutral accessories and a mink stole.

The newlyweds will make their

home in Rivers, Manitoba, where Mr. Thomson is stationed as a paratrooper in the Canadian joint air training centre.

## ENGAGEMENT IS ANNOUNCED

Mr. and Mrs. McEchtern, of Revelstoke, announce the engagement of their only daughter, Margaret, to Mr. Stanley William, only son of Mrs. A. Clinton, Kelowna, and the late Mr. Archibald William Clinton. The wedding will take place on May 19, at Revelstoke.

**WENT TO CHICAGO** ... Mr. Richard Bartlett left last week for a two month course at the Chicago Vocational Schools.

## Hitler and Yon

**WELL-KNOWN IN KELOWNA** ... Mrs. J. E. R. Lloyd and Miss Alys Wilson, Calgary, who left Sunday night for Montreal from where they will sail next week aboard the Empress of Canada for Great Britain and the continent. They will visit in France, Italy and Switzerland during their four-month holiday abroad.

**VISITED CALGARY** ... Mrs. A. H. DeMara and Mrs. E. A. Blair, of Kelowna, were visitors in Calgary, guests of the former's brother, W. J. Tomlinson, and Mrs. Tomlinson. To honor Mrs. DeMara during her Calgary visit Mrs. Charles Powles entertained at her home on Rideau Road during the tea-hour Tuesday afternoon of last week.

**ENTERTAINED** ... distinguished visitor, Mr. and Mrs. W. B. Hughes-Games, entertained His Excellency T. C. A. Hislop, High Commissioner for New Zealand, at a dinner party Saturday evening.

**COMPETING** ... in the Yale-Cariboo Musical Festival at Kamloops last week, were Clive Spiller, who came first in the violin class under 10 years, with 80 marks, and Miss Georgia Steele, who won first place in the vocal class under 18 years with 80 marks. Adjudicators Mr. and Mrs. J. Robertson Wood of Victoria said Clive Spiller had good tone for such an early stage, and intonation was quite true for one so young. Miss Steele they judged to have the right texture and mood.

**WEEK-END GUESTS** ... Mr. and Mrs. J. F. Fumerton had as their guests over the week-end their daughter, Mrs. Herta Riches and granddaughter Miss Eleanor Riches of Vancouver. They were here to attend the McDonald-Tolton nuptials for which Miss Riches was maid of honor.

**ARRIVED IN KELOWNA** ... Private Earl Daniels arrived in Kelowna from Wainwright, Alberta, last Thursday, for his marriage to Miss Wilma Badley, which will take place Saturday, May 10, at 7:00 p.m., in the First United Church. Rev. R. S. Leitch will officiate.

**BIRTHDAY PARTY** ... was given in honor of Neil McGill who celebrated his fifth birthday, May 6. Eleven boys and girls attended the party from 3:30 p.m. to 5:30 p.m. at the home of Mr. and Mrs. W. A. McGill, 1852 Maple Street.

**JUST RETURNED** ... from Belgium, Mr. Floyd O. Brown, who is visiting John Bell, 735 Wilson Avenue, Kelowna.

**FLYING OFFICER** ... "Pudge" Marshall surprised his family and friends when he arrived home Sunday evening from Ottawa where he is presently stationed. Pudge is returning to his base early next week.

**FROM WELLINGTON, B.C.** ... is Mr. A. Ross, who is a guest at the home of Mr. and Mrs. G. Martin, Water Street.

**ENROUTE TO GERMANY** ... is Jim Horn, son of Mr. and Mrs. J. H. Horn, Okanagan Mission. Jim is with the 27th Infantry Brigade of the Canadian Army.

**VISIT ENDED** ... Miss Margaret Erickson, who for the past month has been visiting her mother at Rutland, has returned to Regina.

**ENTERTAINING GUESTS** ... Mr. and Mrs. C. D. Gaddes spent last week-end in Vancouver. On their return they were accompanied by Mrs. Gaddes' mother, Mrs. A. McCougan who is their guest and Mrs. S. F. Kirkpatrick who is staying at the Royal Anne hotel.

**FROM VANCOUVER** ... registered at the Eldorado Arms are Mr. and Mrs. Collin Ryan, Mrs. John L. Burns, Mr. D. F. Ador, Mrs. W. M. Crawford, Miss D. Davidson, Mr. F. G. Bensted, Mr. and Mrs. B. Ferris and Mr. and Mrs. R. Ferris.

## SUSIE DID WHAT COULDN'T BE DONE!

**HEIFER TRIPLETS**, born only once in 10,000 births according to statistics, is in itself a rare happening but when the triplets include a set of twins, then it borders on the phenomenal. And the cause of all these startling developments is a six-year-old Holstein named Susie, seen above with her pride and joy. Owned by C. Merrif of Woodstock, Ohio, Susie's twins have dairy specialists "muttering in their milk" for they claim that biologically identical calves are "almost an impossibility."

## UBC Players' Club Give Outstanding Performance

The UBC Players Club, sponsored by the Kelowna Rotary Club, left nothing to be desired in their brilliant performance of Shakespeare's "Much Ado About Nothing," performed here at the Empress Theatre Monday night. They kept the audience wondering, interested and highly amused all through the presentation and never failed to take advantage of Shakespeare's wit and playful yet sympathetic imagination and play with words.

The plot cast Claudio, a follower of Don Pedro, deeply in love with Hero, daughter of Leonato, Governor of Messina. For reasons of his own, Don John, brother of Don Pedro, wanted this love affair dissipated and for this he plotted with his follower, Borachio. Meanwhile, Claudio, Don Pedro, Leonato and Hero attempted to bring together Benedick, also a follower of Don Pedro, and Beatrice, niece to Leonato, who were in love with each other but too stubborn to confess it.

Don John's plot is about to succeed, when it is discovered by Dogberry, a constable, and the watch. The story ends with Claudio and Hero reunited, and Beatrice and Benedick confessing their love for each other.

The members of the cast portrayed their roles so convincingly, that at times it was hard to believe this was in the present and not in Shakespeare's time. Every actor put everything he had into his role and actually seemed to be living the part, whether it was great or small.

At the mention of Shakespeare's Beatrice, the audience will always remember the superb performance of Joanne Walker, the dashing Benedick, Robert Woodward, and no one will forget the amiable performance of Victor Mitchell, as the self-appraising constable Dogberry.

Equally as praiseworthy in their roles were Donald Withrow, as Leonato; Leonard Lauk, as Don Pedro; Neil Carson and Doreen Odling as Claudio and Hero; William Ferguson, as Antonio, brother to Leonato; David Mollit as Don John; Thomas Shierhouse and Ralph McPhoe as Borachio and Borachio, followers of Don John; Walter Pettis as Verges, Dogberry's companion; Messrs. Coltart, Coon, Burton and Simpson as The Watch; Gerald Webb as Friar Francis; Dudley Coltart as the sexton; Louis DeVick and Doug Chilcott, gentlemen to Hero; Messrs. Forth, Drummond, Maynard and Coon as attendants and lords; Margot Salter as page to Benedick; Misses

Barnes, Stanlow, Newitt and Wilton as attendants and ladies; Ted McAlpine as messenger and Kelvin Service as Balthazar.

Tribute must be paid to the excellence of Miss Joy Coghill's direction. O.D.

## LIBRARIAN FROM TRINIDAD VISITS CITY

Travelling across Canada, is Miss Claire Creteau from Trinidad, British West Indies. Miss Creteau is the Eastern Caribbean Regional Librarian and the purpose of her trip is to study methods used in the various libraries in this country. She came by bus from New York, and so far has been to Vancouver, Victoria and the Fraser Valley. She was in Kelowna for the week-end and thought Kelowna was a beautiful city.

Miss Creteau took her training through the English Library Association School and is now working for the library started by Dr. Helen Gordon Stewart, who also opened the Union library in Kelowna.

The next stop for Miss Creteau is Toronto. From there she goes on to Hamilton, Montreal, London, Ont., and back to New York and Trinidad in July.

## Club Notes

**KELOWNA COUNCIL OF WOMEN** ... The regular monthly meeting of The Kelowna Council of Women will meet in Herbert Business College, Friday evening, May 9, at 8:00 p.m. An interesting program has been provided. All representatives of organizations are requested to be present. Interested women are also invited.

## LISTENING GROUP

The Listening Group will meet at the home of Mrs. G. D. Cameron, Gulischan Farm, Monday, May 12, at 8:00 p.m.

## KELOWNA HOSPITAL AUXILIARY TEA

The Kelowna Hospital Women's Auxiliary will hold its Spring Tea on Wednesday, May 28, from 3:00 p.m. to 5:00 p.m. at the "Nurses' Residence, 387 Strathcona Avenue. There will be a small admission.

**LADIES' AQUATIC AUXILIARY** ... The annual meeting of the Ladies' Aquatic Auxiliary will be held Monday, May 12, in the Aquatic Lounge at 8:00 p.m. All members are asked to attend and newcomers are welcome.

## THE CORPORATION OF THE CITY OF KELOWNA

## Notice To Ratepayers

Public Notice is hereby given that the "City of Kelowna Zoning By-Law, 1938", as amended, is now in process of revision for the purpose of:

(a) Rezoning the Northeast corner of Lot 13, Registered Plan 472, approximately one hundred feet square, from a Residential Zone to a Retail Zone. This property is situated at the south-west corner of Bernard Avenue and the Vernon Road.

(b) Rezoning Lot 5, Block 11, Map 462 from an Apartment Zone to a Retail Zone. This property is situated at the south-east corner of Abbott Street and Lawrence Avenue.

(c) Rezoning Parcel H of Block 31, Map 462; Parcel K of Block 31, Map 462; Plan B3507 of Block 31, Map 462; Lots 1 and 2, Map 2129; Lots 1 and 2, Map 2771; Lot 6, Map 3174; Lot 1, Map 4071 and Lot A, Map 4777, being Junior and Senior High School property, from a Residential Zone to a School Zone and authorizing the erection of buildings for school buses, buildings for technical training, buildings for schools and school administration offices therein.

(d) Making provision in the said By-Law authorizing the Municipal Council, by resolution, to grant special permits for the conversion and use of residences containing six rooms or more, which were erected prior to December 1st, 1938, as apartments or suites of rooms in zones not otherwise permitted.

Details of the proposed revision may be seen at the office of the City Clerk, 1435 Water Street, Kelowna, during ordinary business hours.

It is also proposed to pass a By-Law to consolidate the said "City of Kelowna Zoning By-Law, 1938" and amendments thereto.

The Municipal Council will meet in special session to hear representations of interested persons at 10:00 a.m. on Friday, May 15th, 1952, in the Council Chamber, City Hall, 1435 Water Street, Kelowna.

G. H. DUNN, City Clerk.

Kelowna, B.C.  
May 7th, 1952.

76-2c

## EDITORIALS

(Continued From Page 1)

work means to Kelowna. During the past year 115 patients between Peachland and Winfield have had 2,205 treatments. Bed-ridden patients received 1,122 treatments in their homes; 1,031 treatments were given to patients at the clinic at the hospital and 52 hospitalized patients also were treated.

It requires little arithmetic to find that at \$2.50 a treatment, \$5,512 worth of treatments were administered in this area. Patients pay as much as they are able to afford or are treated free of charge, if necessary. The cost of diagnosis and X-rays are borne by the Kelowna branch if patients are unable to pay.

So far B.C. has led the way in Canada's efforts to end the misery spread by these two painful ailments which affect 600,000 Canadians of whom 100,000 are totally or partially disabled.

The treatment and rehabilitation programs of C.A.R.S. B.C. division has helped hundreds of this province's 42,000 arthritic victims to new health and hope for the future.

And its research programs and grants-in-aid to doctors wishing to become arthritis specialists are furthering the knowledge needed to solve the riddle of these diseases.

One of the worst features of the rheumatic diseases with their 100 different, painful forms, is that the cause and cure is unknown.

Our cave-dwelling ancestors and the dinosaurs suffered from them and down through the centuries they were the "forgotten disease" while medical science pitted its skill against the more dramatic killers like cancer, polio, heart disease and tuberculosis.

Not so long ago, the average family doctor threw up his hands when confronted by severe arthritis and rheumatism. There was little he could do but advise rest and give sedatives to ease pain.

And despite the fact arthritis is the nation's most prevalent chronic disease with a ghastly toll of helpless, hopeless, pain-ridden victims there were few specialists to consult.

But C.A.R.S. research and education programs, in co-operation with B.C. Medical Association, are changing that picture and the society's files are beginning to bulge with the case histories of people who have been helped.

We can't all be doctors, physiotherapists or researchers, but we can all dig down for whatever we can afford—and may be just a little more—to make sure this good work continues in B.C. for the benefit of our crippled fellow citizens.

## SUBDIVISION PLAN FAILS GET SECONDER

Alderman Bob Knox failed to get a seconder for his motion regarding a subdivision plan at 1787 Water Street, adjacent to Mill Creek. The subdivision caused quite a discussion between Ald. Knox and Ald. Maurice Meikle the previous week.

Under the proposed plan, Ald. Knox claimed a house could be constructed on the adjacent property. He said the owner of the property was asking council for a subdivision and not a house plan.

"As far as I'm concerned, my department has recommended something, and I want it to go to a vote," remarked Ald. Knox.

NOT CHANGED MIND  
Ald. Meikle said he had not changed his mind from the previous meeting.

When Mayor J. J. Ladd asked for a seconder, no one came forward. "I might say it's a trifle unusual for the head of a department and the city engineer to be turned down on a recommendation," remarked Ald. Knox.

"That's too bad," Mayor Ladd smiled, "but after all, it's democracy at work."

George Kennedy's 101  
Tops Weekly Gun Shoot;  
Glenda Hill Hits 91

Seniors who made 90 or better at

Sunday's weekly practice of the Kelowna B.C.D. Rifle Association were: George Kennedy, 101; Dan Hill, 98; George Hill, 97; Sam Lee, 97; Paul Jensen, 95; Roy Foote, 95; Ron Weeks, 95; Clarence Henderson, 94; Bill Franko, 91.

Junior scores: Glenda Hill 91; Dave Ritchie 80; E. Henderson 73; Glen Mervyn 60; Joyce Turk 59; Bill Stirling 45.

## CONQUER CANCER DRIVE ALREADY \$900 OVER QUOTA

While final figures have not been received, the Kelowna and District Conquer Cancer campaign is already \$900 over its \$3,500 quota. According to campaign manager,

R. J. Marshall, total of \$4,400 has been turned in. It is anticipated final figure will be in excess of \$4,500.

QUALITY MERCHANDISE FOR OVER 50 YEARS

Dial 2143 Corner Bernard Avenue and Water Street

## More About 1 VALLEY TO BENEFIT

(From Page 1, Col. 2)  
few days, it is still below par when B.C. Tree Fruits cleaned up its last shipment.

Referring to recent frost damage, B.C. Tree Fruits stated it is difficult to estimate what damage has been done, due largely to a variation in temperature in local districts, and secondly, a light frost of this kind sometimes damages a small percentage of blossoms.

CROP PICTURE  
At the present time, Tree Fruits sized the situation up this way:

Cherries: slight damage, but the crop will be about 75 percent larger than last year. In 1951 a total of 96 express cars were shipped to outside points.

Apples: Practically no damage with record heavy crop expected. Indications are that there will be more 'cots than in 1949, prior to the severe 1949-50 winter.

Peaches: practically no damage. Fair crop in prospect.

Prunes: no apparent damage.

Pears: slight damage but heavy crop expected. Grade defects caused by frost, may result in a heavier than usual percentage of Cees.

Apples: some slight damage. Loss about ten percent.

Recent cold spell has resulted in asparagus shipments being curtailed considerably, but the demand has remained steady since the commencement of the season.

## LOCAL FAIRWAYS ALL TO THE FAIR THIS SATURDAY

There was nothing secretive about Tuesday's mystery event staged for the ladies of the Kelowna Golf and Country Club after it was all out of all was the identity of the winners: Mrs. Dorothy Secord for the 18 holes and Mrs. Gladys Cram over nine holes. Local ladies will play host this Saturday to their cousins from clubs up and down the valley for their annual valley-wide sweepstake. The all-afternoon-long affair will be preceded by a luncheon.

Next Tuesday the weekly outing will take the form of the monthly medal round. Here are tee-off times:  
(18 holes)—10:30 a.m.—M. Roadhouse, D. Secord; 10:35—J. Underhill, K. Buckland; 10:40—M. Downton, R. Oliver; 10:45—E. Lander, T. Owen; 10:50—J. Fullerton, M. Hinton; 10:55—M. Willows, A. McClelland; 11:00—H. Burkholder, L. Thomas; 11:05—J. Gaddes, M. Stewart; 11:10—A. de Puyffer, R. Brown; 11:15—G. Lennie, F. Evans; 11:20—B. Fry, M. DeMara.  
(9 holes)—1:00 p.m.—B. Popham, G. Parker; 1:05—A. Malle, M. Clark; 1:10—B. McGill, G. Cram; 1:15—B. Jackson, E. MacLean; 1:20—R. Clark, K. Pollard.  
(Business girls) J. Reekie, F. Disney; W. Baldwin and D. Leathley; F. Wade and G. Armstrong; S. Willis and M. Thompson; P. Gourlay and J. Anderson; G. Mason and F. Beaton.

FISH DERBY LOOMING  
Officials and Kelowna and District Rod and Gun Club and the Ocala Fish and Game Club are conferring on possibility of a fish derby later this month in Woods Lake.

LIBERATED IN WOODS LAKE  
Some 23,000 fingerlings and 500 two-year-old trout, part of the Kelowna rearing ponds crop, have been liberated in Woods Lake.

## 80-20 Basis Sought For Welfare Boosts

PROVINCIAL government will be asked that any increase in social allowance grants be borne on a 80-20 basis and not the 50-50 basis enforced by the government last year.

Resolution to this effect will be presented by Kelowna City Council to the quarterly meeting of the Okanagan Valley Municipal Association to be held in West Summerland, May 29.

Council will also request a change in the zoning appeal board set-up. City fathers feel that substitutions should be allowed in the event of illness or long vacations of board members in order to carry on with the board's business. This was the case early this year when several local appeals were delayed owing to the absence of board members.

### EDUCATION COSTS

Suggestion that political leaders should clarify their stand on the change in education costs as outlined in the Hobbs report, was recommended by Ald. Dick Parkinson. The Hobbs report recommended that the bulk of the sales tax be earmarked for education, and

## VERNON BEHIND GAS PIPELINE TO OKANAGAN

VERNON—Vernon last week fell into line with every other municipality in the Okanagan, and jumped with both feet into the current gas-line battle, opening shot was a letter from the City to West Coast Transmission Company asking whether it is planned to serve the Okanagan with the new utility.

Topic arose in the council chamber when city clerk Ian Garven read a letter from Kelowna urging action to make the gas-line company extend their service to the Valley.

Plans released by the company, and approved by the provincial government, called for a line from the Alberta fields to Vancouver and into the Kootenays, but made no mention of the Okanagan.

According to a letter from Kelowna to the Calgary headquarters of the company, the Okanagan Valley had been "disturbed," because the plans of the company, as published, gave no indication of intention to serve the Valley.

"That is difficult to understand as an extension of this utility from Kamloops . . . would serve approximately 100,000 people in the Vernon, Kelowna and Penticton districts," the letter said.

Mayor A. C. Wilde has written a similar letter to the company on behalf of the City of Vernon, with the added note that the Valley in fact contains a population of more than 120,000, according to the recent census.

Chemical analysis of soybean seed from the Central Experimental Farm breeding nursery show a variation in oil content from 17 to 23 percent and in protein content from 31 to 45 percent in different strains. This provides a wide range for selection depending upon the use for which the crop is intended.

At the present time processors are demanding high oil percentage—varieties containing not less than 20 percent of oil.

## FRENCH RIVIERA IS VICTIM OF EARTHQUAKE

THE TOWN OF MENTON, on the French Riviera, has begun the job of clearing away the debris left in the wake of a freak disaster which claimed three lives and left 10 reported missing. The dead were trapped in some of the 25 homes destroyed or damaged when the rain-weakened earth in the centre of the city gave way. Houses toppled as their foundations were washed away, as seen above, in the landslide.

## WAS HIS FACE RED

### Summerland Editor Adds Confusion To Confusion!

SUMMERLAND—Confusion! Confounding confusion!

That's what occurred here when The Review editor, with his face a crimson pink went around with his coat collar turned up and his head hanging low to avoid recognition.

He always knew that sooner or later it would happen. Well, it happened sooner.

Last week's Review in bold type on the front page told its readers to TURN BACK their clocks and watches.

Every other paper in B.C. told their readers to turn their clock AHEAD.

In order to do some form of penance, Ye. Ed. deliberately looked over every exchange paper which arrived in the shop last weekend. Every one said AHEAD. He winced at every glance.

Some readers didn't give it another thought. With blind obedience to the printed word, they turned their clocks back.

SOME MISSED CHURCH

Some missed church on Sunday. Others didn't get to the ball game in time. Others just naturally slept in.

Some came in and thanked us for the extra couple of hours' sleep. Others just came in.

Some advised us to find other employment. Others took a look in the door and sadly shook their heads. They knew that the strain would take its toll sooner or later.

Some suggested advertising over CKOK to make amends. CKOK,

according to other eager beavers, did that for us.

Some just had a good laugh, and wondered why that hollow sound came from the other side of the counter.

One kindly soul on Sunday suggested: "Why, I didn't think you'd dare show your face today." Others just nodded in silent recognition that an editor is supposed to have a hide like a rhinoceros.

All in all it was a splendid weekend. The people laughed and laughed.

Confusion was added to confusion. Train schedules went every which way, and Greyhounds also zigged. Daylight-saving was here again, and we really had LOST an hour.

But on June 12 we can do something about it. We can save our faces and see that such a horrible mistake never happens again.

But we just aren't agoin' to do it. We're still going to vote for daylight saving. So there.

## OLD WESTBANK WHARF GUTTED BY FLAMES

WESTBANK—Orchard fires have been lit on several nights lately to ward off frost damage to blossoming fruit trees, including that of last Sunday night, when it could have been someone's bright idea to light one large fire to warm up the surrounding territory. Whatever the reason, and whoever was responsible, both approaches to the disused government wharf, and the shed built on it, at the foot of the hill leading down to the lake from Westbank made a merry blaze somewhere in the wee, small hours of Monday morning. According to eye-witnesses the flames from the tinder-dry building shot high into the air, and from some angles it appeared that the Co-op Growers' Association packinghouse was on fire. Investigation, however, proved fears were groundless, and in respect to the Dominion government wharf, it appears that it is no one's concern whether it burns or not, since it was condemned and barricaded last year.

Fire was still eating away at the wharf deck on Monday and it would appear it will gradually be destroyed and disappear, leaving the usual unsightly piles to mark the spot.

Youngsters whose favorite haunt it was for diving from its deep end will doubtless miss it when summer comes, while old-timers who used the wharf in its heyday for the shipping of fruit and incoming express, etc., and who waited on it in winter's cold and summer's heat for the arrival of S.S. Glenora, last of the C.P. steamboats to ply the lake, experience a touch of nostalgia with the disappearance of still another link with the past.

### FISHING ACCIDENT

WALKERTON, Ont. — Ginger Hopkins, 12, suffered a painful accident while fishing at Stoke. Bay. The boy was with a companion in a boat when a fishing hook became embedded in Ginger's cheek as his friend was casting. The hook was removed by a doctor at Lion's Head.

### BUYS FINE BULL

LACHUTE, Que.—Rene Trepanier, deputy minister of agriculture, has purchased the imported Ayshire bull Knockterra Sundial from J. H. Black of Lachute. The young bull, personally selected in Scotland by Mr. Black, won the first prize for junior yearling at last fall's Royal Agricultural Winter Fair at Toronto.

## OGOPOGO'S COILS CAUSE PLENTY OF SPLASH

SUMMERLAND—Ogopogo has been seen again.

The Okanagan's elusive sea serpent has come to life again, this time about half way to Penticton.

Recently a party of Summerland residents proceeding to Oliver along the highway was attracted by a commotion in the lake. Three coils could be observed thrashing about with a great deal of agitation.

No sign of Ogy's head could be seen but the three coils made quite a backwash, the travellers claim.

In the party were Mr. and Mrs. J. Prior, Mrs. W. McClure and son Bill, and Mr. Nash.

### WELCOME BANNERS

Suitable welcome banners and flags may shortly make their appearance near city approaches. The Board of Trade is looking into the matter, placing special stress on a neat presentation.

During 1951 more tractors were sold in Eastern Canada than in Western Canada. This is the first time the east has purchased more than the west. Actual numbers purchased were by Eastern Canada, 28,832; by Western Canada, 23,730.

## TWO READINGS GIVEN BYLAWS

First two readings were given to two bylaws which will be presented to ratepayers in the near future.

City Council last week gave two readings to a \$150,000 road paving bylaw. Debentures would be issued over a 15 year period bearing interest at 14 1/2 percent. Bylaw must be approved by the department of municipal affairs before the bill is given third reading.

ing and presented to taxpayers. The bus franchise was also given two readings. This would give Okanagan Mission Stages a ten year franchise to operate a city bus service. Tentative route and fares have been approved by the public utilities commission.

It was stated the bus company will attempt to run a bus on Sunday and holidays providing traffic warrants the move. Under the proposed plan, Sunday and holiday service would be eliminated.

THE CORPORATION OF THE CITY OF  
KELOWNA

## BY-LAW NO. 1580

A By-Law to authorize the construction of improvements to certain streets, thoroughfares and lanes within the municipality of The Corporation of the City of Kelowna and the borrowing of One hundred and fifty thousand dollars (\$150,000.00) for the purpose of paying therefor.

WHEREAS it has been found necessary to construct improvements to the following streets, thoroughfares and lanes within the municipality of The Corporation of the City of Kelowna, as listed in this preamble, by applying thereto a bituminous plant mixed asphalt surface on the basis of eighteen hundred (1,800) tons per mile for a twenty-four (24) foot width of surface:

Name of Street, Thoroughfare or Lane	Length	Width of Mixed Asphalt Surface
Abbott Street, from Mill Creek to Strathcona Avenue	3,000 feet	24 feet
Clement Avenue, from Water Street to Ellis Street	4,000 feet	24 feet
Doyle Avenue, from Water Street to Ellis Street	700 feet	48 feet
Ellis Street, from Roanoke Avenue to Cambridge Avenue	1,400 feet	24 feet
Ethel Street, from Mill Creek to Clement Avenue	5,500 feet	24 feet
Glenmore Road	2,600 feet	24 feet
Harvey Avenue, from Pendozi Street to Ellis Street	5,400 feet	24 feet
Lawrence Avenue, from Pendozi Street to Ellis Street	400 feet	48 feet
Leon Avenue, from Pendozi Street to Abbott Street	950 feet	48 feet
Leon Avenue, from Pendozi Street to Ellis Street	400 feet	48 feet
Main Business Lanes North and South of Bernard Avenue	2,400 feet	16 feet
Mill Avenue, from Water Street to Ellis Street	700 feet	72 feet
Richter Street, from Bernard Avenue to Clement Avenue	2,600 feet	24 feet
Richter Street, from Bernard Avenue to Mill Creek	2,800 feet	24 feet
Smith Avenue, from Water Street to Ellis Street	700 feet	48 feet
Sutherland Avenue, from Richter Street to Vernon Road	2,900 feet	24 feet
Water Street, from Bernard Avenue to Harvey Avenue	950 feet	48 feet

AND WHEREAS the estimated cost of constructing the said improvements to streets, thoroughfares and lanes is One hundred and fifty thousand dollars (\$150,000.00);

AND WHEREAS the sum of One hundred and fifty thousand dollars is the amount of the debt which this By-Law is intended to create; and WHEREAS it is necessary for the said purpose to raise by way of loan upon the credit of The Corporation of the City of Kelowna the sum of One hundred and fifty thousand dollars (\$150,000.00) and to issue debentures therefor, payable as hereinafter provided;

AND WHEREAS the amount of the assessed value of taxable land and improvements within the municipality of The Corporation of the City of Kelowna, according to the last revised assessment roll, being the assessment roll for the year 1952, is \$13,821,032.91;

AND WHEREAS the amount of the existing debenture debt of The Corporation of the City of Kelowna is \$1,492,000.00;

NOW THEREFORE The Municipal Council of The Corporation of the City of Kelowna, in open meeting assembled, enacts as follows:

1. That the Municipal Council of The Corporation of the City of Kelowna is hereby authorized to construct improvements to the streets, thoroughfares and lanes of the said Corporation, as detailed in the first recital of the preamble to this By-Law, at a cost not to exceed One hundred and fifty thousand dollars (\$150,000.00).

2. That the Municipal Council of The Corporation of the City of Kelowna is hereby authorized to raise by way of loan from any person or persons, body or bodies corporate, who may be willing to advance the same on the credit of the said Corporation, by way of the debentures hereinafter mentioned, a sum of money not exceeding in the whole the sum of One hundred and fifty thousand dollars (\$150,000.00) and to cause all such sums so raised and received to be paid to The Corporation of the City of Kelowna for the purpose and with the objects hereinafter recited.

3. The Mayor of the said Corporation is hereby authorized to cause any number of debentures to be made in denominations of not less than One thousand dollars (\$1,000.00) each, not exceeding in the whole the sum of One hundred and fifty thousand dollars (\$150,000.00). The said debentures shall be sealed with the Seal of The Corporation of the City of Kelowna and have attached thereto coupons for the payment of interest. All debentures issued and the coupons attached thereto shall be signed by the Mayor and countersigned by the Treasurer of the said Corporation, but the signatures to the said coupons may be either written, stamped, printed or lithographed.

4. The said debentures shall bear date the Fifteenth day of July, 1952, and shall be repayable as follows:

Seven Thousand Dollars (\$7,000.00) on the Fifteenth day of July, 1953.

Eight Thousand Dollars (\$8,000.00) on the Fifteenth day of July in each of the years 1954 to 1956 (inclusive).

Nine Thousand Dollars (\$9,000.00) on the Fifteenth day of July in each of the years 1957 to 1959 (inclusive).

Ten Thousand Dollars (\$10,000.00) on the Fifteenth day of July in each of the years 1960 and 1961.

Eleven Thousand Dollars (\$11,000.00) on the Fifteenth day of July in each of the years 1962 and 1963.

Twelve Thousand Dollars (\$12,000.00) on the Fifteenth day of July in each of the years 1964 and 1965.

Thirteen Thousand Dollars (\$13,000.00) on the Fifteenth day of July in each of the years 1966 and 1967.

5. The said debentures shall have coupons attached for the payment of interest at the rate of Four and one-half per centum (4½%) per annum on the amount of the said debentures, and such interest shall be payable semi-annually on the Fifteenth day of January and the Fifteenth day of July, during the currency thereof, and both interest and principal shall be payable to bearer in lawful money of Canada, at the office of the Bank of Montreal, Kelowna, British Columbia, and it shall be so designated on the said debentures and interest coupons.

6. During the life of the said debentures there shall be levied and raised, in addition to all other rates, by special rate sufficient therefor, upon all the rateable land or land and improvements within the municipality of the said Corporation in the respective years for the payment of the principal and for payment of the interest, the amounts as follows:

Year Principal Interest Total

1953 \$ 7,000.00 \$ 6,750.00 \$ 13,750.00

1954 8,000.00 6,435.00 14,435.00

1955 8,000.00 6,075.00 14,075.00

1956 8,000.00 5,715.00 13,715.00

1957 9,000.00 5,355.00 14,355.00

1958 9,000.00 4,995.00 13,995.00

1960 10,000.00 4,275.00 14,275.00

1961 10,000.00 3,915.00 13,915.00

1962 11,000.00 3,555.00 14,555.00

1963 11,000.00 3,195.00 14,195.00

1964 12,000.00 2,835.00 14,835.00

1965 12,000.00 2,475.00 14,475.00

1966 13,000.00 2,115.00 15,115.00

1967 13,000.00 1,755.00 14,755.00

Totals \$150,000.00 \$ 59,355.00 \$209,355.00

7. The Corporation of the City of Kelowna may, from time to time, repurchase any of the said debentures at such price or prices as may be mutually agreed upon and no release of any such debenture or debentures shall be made in consequence of such repurchase.

8. This By-Law may be cited for all purposes as the "Streets Improvement By-Law, 1952".

Read a first time by the Municipal Council this Twenty-eighth day of April, 1952.

Read a second time by the Municipal Council this Twenty-eighth day of April, 1952.

Read a third time by the Municipal Council this Fifth day of May, 1952.

Received the assent of the electors of The Corporation of the City of Kelowna on the day of 1952.

Reconsidered, finally passed and adopted by the Municipal Council of The Corporation of the City of Kelowna this day of 1952.

Mayor.

City Clerk.

TAKE NOTICE that the above is a true copy of the proposed By-Law upon which the vote of the municipality will be taken at the Boy Scout Hall, 580 Bernard Avenue, Kelowna, B.C., on Wednesday, May 21st, 1952, between the hours of 8 a.m. and 8 p.m.

G. H. DUNN, Clerk of the Municipal Council of The Corporation of the City of Kelowna.

PUBLIC NOTICE is hereby given by the Municipal Council that the vote of the electors of The Corporation of the City of Kelowna on By-Law No. 1580, being the "Streets Improvement By-Law, 1952", will be taken in the Boy Scout Hall, 580 Bernard Avenue, Kelowna, B.C., on Wednesday, May 21st, 1952, between the hours of eight o'clock a.m. and eight o'clock p.m. and that Douglas Bruce Herbert has been appointed Returning Officer to take the vote of such electors.

J. J. LADD, Mayor.

G. H. DUNN, City Clerk.

76-1-c

THE CORPORATION OF THE CITY OF  
KELOWNA

## BY-LAW NO. 1581

A By-Law to authorize the entering into and ratifying and adopting of an Agreement with O.K. Mission Stages Ltd., a body corporate duly incorporated under the laws of the Province of British Columbia and having its Registered Office at Okanagan Mission aforesaid, for a franchise for the operation on the streets and highways within the municipal limits of the City of Kelowna of motor-buses as a public utility for the carriage of passengers.

WHEREAS one O.K. Mission Stages Ltd., a body corporate duly incorporated under the laws of the Province of British Columbia and having its Registered Office at Okanagan Mission aforesaid, proposes to maintain and operate a bus or buses for public passenger service within the municipal limits of the said City of Kelowna;

AND WHEREAS the proposed schedule of times and routes and tariff of fares issued by the Applicant pursuant to the provisions of the "Motor Carrier Act", being Chapter 226 of the Revised Statutes of British Columbia, 1948, and the regulations thereunder, has been submitted to and received tentative approval of the Public Utilities Commission referred to in the said Act;

AND WHEREAS the Municipal Council of the Corporation of the City of Kelowna deems it advisable to grant permission to the applicant to maintain and operate the said bus service on the terms and conditions of the agreement hereinafter set forth.

BE IT THEREFORE ENACTED by the Municipal Council of The Corporation of the City of Kelowna, in open meeting assembled, as follows:

1. Authority is hereby given to the Mayor and Clerk of the said Corporation to sign and execute and affix the Corporate Seal to and deliver to the aforesaid O.K. Mission Stages Ltd., the Agreement and Schedule thereto, and all as the act and deed of the said Corporation which said agreement is in the words and figures following, that is to say:

"THIS AGREEMENT made in duplicate this Twenty-eighth day of April in the Year of our Lord One thousand nine hundred and fifty-two between THE CORPORATION OF THE CITY OF KELOWNA, a Municipality duly incorporated under the laws of the Province of British Columbia, hereinafter called "the City", of the First Part and O.K. MISSION STAGES LTD., a body corporate duly incorporated under the laws of the Province of British Columbia and having its Registered Office at Okanagan Mission in the said Province, hereinafter called "the Applicant", of the Second Part.

WHEREAS the Applicant proposes to maintain and operate a bus or buses for public passenger service within the municipal limits of the said City of Kelowna;

AND WHEREAS the proposed schedule of times and routes and tariff of fares issued by the Applicant, pursuant to the provisions of the "Motor Carrier Act", being Chapter 226 of the Revised Statutes of British Columbia, 1948, and the regulations thereunder, has been submitted to and received the tentative approval of the Public Utilities Commission referred to in the said Act, hereinafter called "the Commission";

AND WHEREAS the Municipal Council of the City deems it advisable to grant permission to the Applicant to maintain and operate the said bus service on the terms and conditions hereinafter set forth.

NOW THIS AGREEMENT WITNESSETH as follows:

1. The Applicant is hereby granted a franchise for a term of ten years from the date hereof for the operation on the streets and highways within the municipal limits of the said City of Kelowna of motor-buses as a public utility for the carriage of passengers, subject to the further provisions of this Agreement, at the times and on the routes and for the fares hereinafter set forth in the Schedule hereto, and the Applicant agrees to efficiently maintain and operate such bus service as aforesaid.

2. The routes, times and fares may be revised by agreement between the parties, with the assent of the Commission, whenever a revision is considered necessary or desirable, and will in any event be subject at all times to the control of the Commission under the Motor Carrier Act.

3. The Applicant shall at all times during the period of this Agreement or any renewal hereof hold such licenses as may be required by it under the provisions of the Trade License By-Law of the City, and any other By-Laws of the City, now or hereafter to be enacted, and shall otherwise observe, keep and perform the provisions of all such By-Laws, as well as the provisions of all Statutes of the Province of British Columbia and the Dominion of Canada and of all orders and regulations thereunder applicable to it.

4. The bus-stop or terminal from which the said bus service shall operate shall be the north east corner of Bernard Avenue and Pendozi Street in the said City of Kelowna, with the right of the Municipal Council of the City from time to time to prescribe by Resolution or By-Law such other bus-stops or terminal between which such bus service shall be operated, subject to the approval of the Commission.

5. The Municipal Council of the City shall have the right with the concurrence of the Commission to terminate this Agreement by Resolution or By-Law at any time within the said period of ten years or any extended period of this Agreement if it shall be of the opinion for any reason that the Applicant is not providing an efficient service, or if it fails to observe, keep or perform any of the provisions of this Agreement, and upon termination shall be delivered to the Applicant by mail or by the City under registered cover at the Post Office in the said City of Kelowna addressed to the Applicant at the said Okanagan Mission, and thereupon this Agreement shall forthwith cease and determine and the Applicant shall have no further rights to operate the said bus service.

6. The Applicant shall carry all such persons as may desire to utilize its service and shall have the right to charge and collect from every person, save as hereinafter mentioned, on and after entering any operating bus of the Applicant for the purpose of riding any distance on the route of such bus the fares set forth in the Schedule or as from time to time it may be amended or altered. CHILDREN under six (6) years of age shall be carried free if accompanied by a fare paying passenger. FREE TRANSFERS shall be granted by the Applicant from one route to another route to any passenger desiring same provided that such passenger rides on the next schedule for the route to which he or she transfers. Provided space permits BABY CARRIAGES of a folding type and SMALL PARCELS shall be carried free if accompanied by a fare paying passenger.

7. The applicant shall not be obliged to carry on and shall be entitled to eject from any of its buses any person who shall be making himself or herself objectionable or a nuisance to any other passenger by creating a disturbance of the peace or otherwise.

8. The Applicant shall keep the City harmless and indemnified from all actions, costs, charges, claims, liabilities and damages of whatsoever nature and kind arising out of the operation of the said services.

9. This Agreement shall not be assigned or transferred by the Applicant without the written permission of the City, and in the event of being so assigned or transferred the approval of the City shall be binding upon the Assignee or Transferee in all respects in the same manner and to all intents and purposes as if such Assignee or Transferee had executed this Agreement in the first place in lieu of the Applicant.

10. This Agreement is subject to the approval of the Commission and shall not be binding upon the Parties hereto until it has been authorized or adopted by By-Law of the City, which By-Law shall before coming into force be subject to the approval of the Lieutenant-Governor-in-Council and to the assent of the electors of the City in manner provided by Division (1) of Part VI of the Municipal Act, being Chapter 232 of the Revised Statutes of British Columbia, 1948, as amended.

IN WITNESS WHEREOF The Parties hereto have executed these presents the day and year first above-written.

## Needlecraft News

by Pauline Roy

FROM ALL SIDES women are told about the latest fashion trends from Paris and from Fifth Avenue. We are told how low the hemlines should be, how square or natural the shoulders, as well as which colors are being worn this season. There is no doubt that fashion with her whims and fancies adds a note of excitement to our lives. But for most of us who lead busy lives attending to family, homes or jobs, fashion is something that is achieved a little at a time. For us, being well-dressed means being suitably, becomingly and very important, inexpensively dressed.

### New Knitwear Styles

Though Dame Fashion deviates from style to style, from year to year, season in and season out, knitted fashions have main 'way at the top of the list. Knitwear for babies, growing children, teen-agers and adults are forever popular favorites. Sweaters are found on slender and plump people alike... worn afternoons and evenings for the business world, sports world and on the campus. They are popular because they are good looking, comfortable and practical. Have you seen how fashion-wise the new knitted suits and dresses look? They have returned to the fashion limelight this year in interesting styles. Once upon a time all knitted suits had straight, narrow skirts. Now they are being shown with full, as well as with straight skirts. These knitted garments are so very comfortable to wear that you'll just want to live in them all the time. They never wrinkle or rumple, and are right for all occasions. Most important of all is the fact that you can make them yourself.

### Music Hath Charm

Here's a fresh, new design for a little girl's pinafore dress with knitted pullover. It is made from bright green crocheted-knitting wool and trimmed with a dainty red crocheted edging. The ribbed waistline is fitted and held in place with elastic. Lightweight, comfortable 3 ply wool is used for the pullover. Directions for knitting the dress and pullover are available in sizes 8, 10 and 12 years if you send a stamped, self-addressed envelope to the Needlework Department of this paper requesting LITTLE GIRL'S PINAFORE DRESS, Leaflet No. GW-35.

## This 'n That

By Mil Crittenden

Vancouver Sun Columnist Evelyn Caldwell (alias Penny Wise) has a date with her Kelowna public on Friday evening when she'll speak at the Aquatic Club at 8.15. Miss Caldwell is much in demand as a lecturer and is considered a witty and informative speaker. Next Friday was chosen as the date because Miss Caldwell expressed a long-standing ambition to see the Okanagan in blossom time.

"Penny Wise" has been chosen subjects that will appeal to a mixed audience as many men are expected to attend. Topics will include Korea, Australia, and the Royal Tour which she has covered for

the Sun. Mrs. S. M. Tait is in charge of ticket sales. Admission charge is small.

Mrs. Gwen Harding is in charge of arrangements for the jaunt to Kelowna and Mrs. Helen Mervyn will act as hostess on the sight-seeing excursion. Kinsmen and Kinettes will hold a reception for her at the Yacht Club Friday night after her lecture.

In addition to Miss Caldwell's lecture, a varied program of entertainment has been arranged for Friday night. The Kinettes Choir, under the direction of Mrs. Phyllis Hill, will open the program with a rousing rendition of "The Old Okanagan." During the evening they will sing "Tumbling, Tumbling Weed," "Bless This House" and the Negro spiritual, "It's Me, O Lord." Other entertainers will be dancer Patsy Hume, singers Cedric Stringer, Walt Green and Howard Winkler, who will do a take-off on the Mills Brothers, made up in black-face and wearing dinner jackets. There'll also be a trumpet solo by Murray Cowie.

Proceeds will go to the children's ward at Kelowna General Hospital. All the Kinettes' money-making projects these days go to assist the Kinsmen who have pledged \$2,000 towards the children's ward.

Kelowna can be proud of Mrs. Ethelwyn Logie who was chosen "best director" and Mrs. Alice Wimsby who was chosen "best actress" at the South Okanagan Drama Festival held in Penticton Friday and Saturday.

Mrs. Logie was awarded the Carrol Akins rose bowl on which her name will be engraved. This beautiful trophy will stay in her possession for one year, at the end of which she will receive a replica to have for keeps.

Kelowna is keeping pace with the revival of interest in "live" theatre that is sweeping across Canada. One indication of this was shown in the public support given to KILT players who went down to Penticton this week-end. The number of KILT fans almost rivalled the turn-out of Packer Backers last winter.

Among those Kelownians who attended were: Mr. and Mrs. Christopher Reid; Mr. and Mrs. Jack Hampton, who went down Friday and stayed over for Saturday; Miss Gweneth Harvey, who went both nights; Mr. and Mrs. Don Haines; Mrs. "Snooks" Davis; and Mrs. Barbara Keller; Mr. and Mrs. Guy DeHart; Mr. C. R. Bull; Mr. and Mrs. Ron Erwin; Mr. and Mrs. E. Oswald; Kirk Franks; Mr. and Mrs. Cedric Boyer; Caroline Fugger; Hal Odium, N. Van der Vliet; Courier reporter Oli Daum, and many others.

Congratulations to Mr. and Mrs. James Cornack who were married quietly at the manse of First United Church by Rev. R. S. Leitch. They were attended by Mr. and Mrs. A. C. McPetridge. Mrs. Cornack is the former Miss Agnes Pearson, who retired May 1 from her position as supervisor at Kelowna General Hospital. Mr. Cornack moved to Kelowna from Grand View, Man., and his wife was formerly from Winnipeg and was, at one time, matron at the hospital in Dauphin, Manitoba. They have taken up residence on Caddie Ave.

Mr. and Mrs. Jack Reid from Brandon, Manitoba, are spending a few days in Kelowna en route to Vancouver and Victoria. They are guests of Mrs. M. L. Reid.

Mr. and Mrs. Ted James have left to re-open their novelty shop in Penticton. Their Kelowna shop will stay in operation during their absence.

Mrs. P. J. O'Neill, is away on a two-week holiday in Victoria. She planned to attend the graduation of her daughter, Margaret, from nursing school at St. Joseph's Hospital in Victoria.

U.B.C. students are arriving home for holidays now that exams

## Community Chest Reports

EDITOR'S NOTE: This is another of a series of annual reports of organizations who received assistance from the Community Chest and Welfare Council during the past year. Reports were submitted at the annual meeting of the CCWC. Purpose of publication is to acquaint citizens with the work of individual organizations that come under the Community Chest.

### CENTRAL DISTRICT BOY SCOUTS ASSOCIATION

A very brief report on the activities of the Central Okanagan District Boy Scouts Association.

We have a total of seven Scout troops and six Cub Packs.

The proposed budget for the coming year includes the start of development of the Cedar Creek camp site which this association received as a gift from an Okanagan Mission man.

We have earmarked funds for the training of Scout leaders with the hope that men and women will come forward with their time and we would help with their transportation to camp fee, to wherever these courses are being held from time to time.

Money has been voted for sports equipment for the various groups to draw on.

Also provincial headquarters are provided for in our budget, who in turn render consistent and efficient service to districts and groups throughout the province and to further Scouting generally.

Quoting from an official Scout pamphlet "It is the duty of a local Association to:

(a) To supervise and encourage the movement within its area, and to work in co-operation with other recognized organizations of boys.

(b) To recommend packs, troops, crews, groups, and Scouters for registration and warrants.

(c) To suspend for cause any pack, troop, crew, scout, Wolf Cub, Scout, or Rover in its area. In case of any refusal to recommend or of any suspension, an appeal lies to the provincial commissioner.

(d) To be responsible for the

are over. Among those who are back in town are Don Forsythe, Jim Cousins, Doreen Gordon, Don Edwards, Allan Keller and John Tait. Miss Pat Featherstonehaugh from Peachland is also back home from U.B.C. Another U.B.C. co-ed, Margaret Ogle, from Victoria, is a house guest at the home of Mrs. Pearl Forsythe.

John Tait is just home for a short holiday as he starts work on his summer job as purser on the steamer "Tutski" on May 14. The "Tutski" travels up and down the coast to Whitehorse. John will have to miss convocation on May 16.

granting of Scout badges and awards to groups or Scouts and to arrange examinations for proficiency badges.

(e) To promote the formation of group committees.

I would like to stress the importance of the group committee to this gathering. It is essential to have a responsible group committee for each Scout troop and Cub pack, money alone is not enough to further scouting, parents and interested persons must be found to carry Scouting to our boys.

I hope I have given you enough reasons for the continued support we hope to get from the Community Chest.

Respectfully submitted,

FRANCIS THORNELOE.

President.

### LOCAL COUNCIL OF WOMEN CLOTHING DEPOT

The clothing depot is operated by the Local Council of Women through its affiliated women's organization groups of the City of Kelowna. The clothing is collected and assembled at the depot in the basement of the Salvation Army Church, under the convenership of Mrs. T. J. Stephens.

The clothing is sorted and checked at the depot and is distributed to those cases investigated and referred to the depot, by the city administrator, the city and provincial welfare nurses, members of the clergy, and officers of the Red Cross Society and other women's organizations. When clothing is not available at the depot the money granted by the Community Chest is used to purchase new clothing.

To date practically all money spent has been for the purchase of shoes and rubber footwear for children, and blue jeans for boys.

As the clothing is distributed, a very detailed check is kept of the various articles handed out, and from this record the following figures are taken:

Forty-three families, with a total of 105 children have been assisted; 8 transients; 7 single persons; 15 aged children.

There has been handed out: Forty winter coats (men and women); 17 snowsuits and parkas (children); 66 pair of shoes, 43 to children; 43 pair of rubber footwear, 39 to children; 19 pair of

slacks (women and girls); 108 pairs of socks and stockings; 107 sweaters and wool pullovers; 97 blouses (women and girls); 61 shirts (men and boys); 118 ladies dresses and skirts; 42 pair of men and boys pants; 223 pieces of underwear and pajamas; 5 complete baby layettes; numerous small baby garments and accessories.

In the cases of mothers having a sewing machine in their home, large bundles of make-over material have been given.

Small sewing groups are now operating under the supervision of the convener and to date six large warty quilts have been made, and a number of children's garments.

MRS. T. J. STEPHENS, Depot Convener.

## WINFIELD

WINFIELD—Mrs. H. Bradshaw, of Enderby, spent a brief visit with her sister, Mrs. V. R. McDonagh last week.

Mr. and Mrs. V. Friesen, of Vancouver, have been guests of the former's parents, Mr. and Mrs. B. Friesen.

Mr. and Mrs. K. Jardine and daughter have been visiting in Red Deer and Barrhead, Alberta. Mrs. Jardine's mother, Mrs. Lee, returned home with them.

Mr. and Mrs. Laurence Hill, of Penticton, were Sunday guests of Mr. and Mrs. G. Shaw.

Mrs. Phil Adams is a delegate to the Women's Institute Rally being held in Naramata this week.

Mrs. C. Luxton, of Canoe, was the guest of her daughter Mrs. G. Shaw over the week-end.

Mr. Jack Pollard, of Enderby, has been visiting Mr. and Mrs. Reg. Moody.

Mr. and Mrs. J. Stevens were week-end visitors to Vancouver.

A very successful campaign for the cancer fund was carried out in the Winfield district, exceeding the quota of \$150. Members of the Women's Institute sponsored the canvass and the amount collected was \$184.60.

## FILMS SHOWN AT WINFIELD WCTU MEETING

WINFIELD—At a meeting of the WCTU held in the Free Methodist Church on Friday evening last, three interesting films were shown. These were "Norway," "Liquid Love," and "Mildred Dilling, noted harpist."

Prior to the showing of the films, with Mrs. J. James, president in the chair, a short program was given.

The meeting opened by singing of a hymn, with Mrs. P. Carlson at the piano; prayer by Rev. D. M. Taylor; and Scripture reading by Pauline Chase.

This was followed by a reading by Carol James; a reading by Mrs. Carlson; a violin solo and vocal solo by S. C. Jones with Mrs. Jones accompanying at the piano. The

meeting was closed with prayer by Mrs. B. Nibbles.

Mr. and Mrs. W. J. Sherritt of Foxwarren, Manitoba, are guests of Mr. and Mrs. W. E. Sherritt.

Investigations at the Brandon, Man., Experimental Farm for the past five years indicate that the average cost of baling hay in the field in the Brandon and Melita districts was \$2.87 per ton.

### Interesting Handicraft, Hobby Exhibit Held by Business, Professional Women

ONE of the most interesting and inspiring hobby and handicraft shows this community has ever witnessed, was staged by the Kelowna branch of the Business and Professional Women's Club in the Senior High School auditorium.

The business and professional women are to be commended not only for their efforts, but also for revealing to the public that Kelowna has outstandingly talented in handicrafts, many of whom have never gained the recognition to which they are entitled. Special tribute should be given to Mrs. Muriel Foulkes, public chairwoman of the club, who was overseer of the arrangements, and to whom much of the success of the show is attributed.

Crafts shown coming in, was a life-size statue of an Indian chief, complete in a beaded buckskin costume, and elaborate head-dress, holding the traditional peace pipe. This life-like statue was exhibited by Mr. O. Jackson, of KLO Road.

Whittling is another of Mr. Jackson's favorite pastimes and an example was shown in a novel jewelry case made from Juniper wood. Everyone in the Jackson family knits Indian sweaters and Saturday afternoon Mr. Jackson was spinning the yarn from raw sheep wool of which the sweaters are made. Barbara and Sheila Jackson had displayed a large cross-stitch bedspread and purses of all shapes and sizes, made exquisitely from leather.

Leatherwork was also displayed by Bill Hoveman and Mr. George King. A few of the items were

sent to him from the leathercraft department of the CNIB, partly finished, and Mr. King put on the finishing touches, but the wallets, belts and change purses Mr. King made himself, every stitch perfect. Nor is leathercraft the extent of his handiwork, for Mr. King also exhibited a green hooked rug with two large yellow tigers, and another rug which has been in steady use for six years, and as yet, showed no signs of wear.

Hooked rugs were also exhibited by Mrs. Fray and Mrs. O'Neill. Mrs. Fray's rug was of a lavish floral pattern, made of rags, while Mrs. O'Neill had inserted the family name in her rug. An art collection worth thousands of dollars appeared under the auspices of the Kelowna Art Council. This collection consisted of the original paintings of the covers of MacLean's magazine. These paintings were done by commissioned professional artists which are employed by MacLean's. Often the magazine assigns the artists with the subject, but in other cases, the artist submits his own ideas. These paintings are then reproduced for the cover. Approximately fifteen of the artists submitted oil and water color pictures, and these same paintings will be exhibited at the Edmonton exhibition in July.

Many local personalities are ceramics-minded. Mr. Rufus Williams had on display vases and pottery made from clay taken from Knox Mountain. Miss Sylvia Sutton also had a display of pottery, and another of coils, which is a design made from bits and pieces of paper cut from magazines. Many different types of needlecraft were exhibited. Mrs. Bourque had made pictures, seat covers, pillow and coffee table covers of needlepoint. Mrs. E. Saucier exhibited an array of table cloths, dresser scarves, and little girls' dresses. But attracting the most attention, was a display of crocheted work and tatting done by Mr. Henry E. Hancock, 863 Clement Avenue.

Mr. Hancock had made dresser sets, baby bonnets, and delicate tatting edgings such as would challenge the artistic ability of any woman.

**UNUSUAL HOBBY**  
Beautifully framed, were petit point pictures submitted by Mrs. Ruth Kopp. On another table were hand and machine-knitted socks made by Mrs. C. R. Downing, while Mr. R. Botham displayed colorful scarves, place mats and runners which he made on a hand loom.

Mr. W. Thompson collects Indian relics while Mr. J. Gervais carries out the various Okanagan birds and paints them. These he mounts on miniature trees to make attractive hangers, or on larger stands of wood for table lamps or book ends.

A circus sand-wheel, chairs, table and nutcrackers all of wood, was entered by Mr. C. E. Walrod, and exhibited by Mickey Walrod, while realistic water color paintings were submitted by Mr. E. H. Oswell, shellcraft by Alois I. Postle, a stamp collection, with stamps from Southern Rhodesia, Burma, and the Netherlands, to mention a few, by Mr. John Ritchie, linoleum carving by "Jack" Mayor and a home color planning model by the Kelowna Sewmill.

McGavin's Bakery entered a very interesting and fitting exhibit. In the deepest jungle of Dutch Guiana the Djukas natives obtain their "staff of life" bread, by transforming a deadly poisonous root into nutritious bread. McGavin's displayed some of this bread, along with some of the primitive tools and utensils used by the Djukas.

More displays featured a hand-made bridge, made by Mr. Hoen, 32 years of age, a display of handicraft books available at the Okanagan Union library, and a "Long Winter's Night Hobby," the intricate stages of making a violin, by Mr. George Day of Rutland, demonstrating clay modelling.

was Mrs. Gwen Lamont, who has some of her work at St. James' Church in Vancouver, and who is presently working on a crib for the Anglican church in Okanagan Mission.

Films were shown at 3:00 p.m. and 8:00 p.m. on Canadian Arts and Handicrafts. The Business and Professional Women also featured a raffle and home cooking stall, and the Junior Red Cross served tea throughout the afternoon.

**LEADING DANCER**

JEAN STONEHAM, former principal dancer with the Ottawa Ballet, is now one of the leading dancers of the Winnipeg Ballet appearing in Penticton on June 2. She made her debut with the Winnipeg Ballet on the occasion of the Royal Civic Auditorium for the event.

### EAST KELOWNA W.I. BENEFITS FROM PLANT AND BULB SALE

EAST KELOWNA—The Women's Institute held their annual plant and bulb sale in the Community Hall last Tuesday which proved to be the most successful for some time.

There was a splendid selection of plants, shrubs and bulbs, etc. The home cooking table had a very appetizing display of cakes, cookies, buns, homemade bread, canned fruit, eggs and rhubarb. The tea tables were attractively arranged in the large hall, where there were daffodils, blossoms, and other spring flowers in profusion. A lovely afternoon tea was served to a large number of people who were entertained with records during tea.

Mrs. G. D. Fitzgerald was the lucky winner of the shrubs, while Mrs. R. W. Johnson won the lovely cake. The plant sale was convened by Mrs. H. Hewlett, while the home cooking was under the supervision of Mrs. H. A. Porter and Mrs. A. F. K. James.

Tea conveners were Mrs. J. Bauer, Mrs. P. Stankov, Mrs. S. Heitzman. Proceeds from this successful event will go to the Institute fund.

Bill Paterson, of Port Alberni, a former resident of East Kelowna, has been renewing old acquaintances in Kelowna and district.

The sympathy of the community is extended to Mr. and Mrs. F. Thorneclo, Jr., on the death of Mrs. Thorneclo's mother, Mrs. A. E. Law, who passed away in Kelowna.

### Winnipeg Ballet Group Will Appear in Okanagan June 2

Acclaimed Canada's finest Ballet and regarded by New York critics as one of the foremost dance groups on this continent, the Winnipeg Ballet will arrive in Penticton on June 2 with a cast of 17 dancers under the company's ballet mistress and co-founder, Betty Farrally. The group has costumes and settings for nine ballets which will be presented.

In view of the fact Penticton is the only point where the group will appear, many Kelownians are expected to visit the Peach City. This is the third major western tour the ballet group is making.

Shellagh Henderson, of Glenmore, is a member of the cast, which started the fall season with a Command Performance for Their Royal Highnesses, Queen Elizabeth (then princess) and the Duke of Edinburgh, which brought praise from the royal visitors and enthusiastic reviews from the press. Over 3,500 people packed the Winnipeg Civic Auditorium for the event. With them on this tour the Ballet brings two of the numbers that were performed at the Command Performance.

With a repertoire rich in classical as well as completely original works, and such varied fare as comic "story" ballets, modern interpretive works and romantic ballets in the Imperial Russian style, the Winnipeg Company promises entertainment of a high level to suit every taste.

Just as varied are the backgrounds of the seventeen young dancers who perform these ballets. From fifteen year old Marina Karonis, a Greek girl from Vancouver and one of the most promising young dancers in Canada, to Hungarian-born ballerina Eva Von Genscy, who was solo dancer in the Salzburg Opera House for three years, and Jean Stoneham, lately premiere ballerina of the Ottawa Ballet, the company presents a composite picture of the growing field of ballet all across Canada.

Outstanding member of the company is Arnold Spohr, leading male dancer, who has been highly praised at ballet festivals and acclaimed by international dance authorities as one of the coming choreographers of this generation. His "Ballet Premier" which was performed at the Command Performance and his "Intermede" are both included in the company's tour repertoire. All the costumes and settings for the

### STAGETTES LEARN ART OF HANDLING GRADING OF FOOD

The Stagettes met at the Health Unit recently and enjoyed a film "Story of Standards," an interesting discussion and illustration on the handling and grading of food before reaching the consumer.

Plans were made for a garden tea to be held at the home of Mrs. Arbuckle, Abbott Street, in June. The next meeting will be held at the home of Mrs. Leaman, 504 Bernard Avenue. Mrs. Hillier will be guest speaker.

### Coast Senior Sharpies May Play Here Soon To Build Injury Fund

Players won't have to face heavy medical bills and loss of pay through injury if present plans to form an injured players fund in the interior boxla set-up materialize.

Negotiations are progressing to have a Coast senior team, probably the Vancouver Combines, appear in Vernon and Kelowna early this season. Proceeds would go to the injured players fund.

## Open New 440-Yard Track For 25th Annual Valley High Meet

It will be an epochal day in outdoor athletics here May 17 (a week from Saturday) when the annual Okanagan high schools track and field championships return to Kelowna.

Besides being the silver anniversary of the valley's most looked-for outing, the occasion will mark another forward step for the Orchard City—the first time the new 440-yard track will be used.

Exactness in design and under various stages of construction since last autumn, the quarter-mile track at Athletic Oval will give added impetus for attracting thin clads from all over the province. Now it will be possible to run the quarter, half and one-mile races as the Amateur Athletic Union of Canada requires and now official times can be tried for, and records, if any, required for recognition.

### REQUIRE NEW ROADS

Except for an inside curb and some more dressing, the new oval track was completed a couple of weeks ago. Most of the extra distance (the former track was only 380 yards) was gained by encroaching on the roads on both ends of the oval. New roadways had to be built.

At the north end, for example, there is little room now between the track and the old lacrosse box hard surface, soon to have a fence around it again.

Jim Panten, recreational director and one of the Okanagan's top track authorities, had been leading a campaign for years for an official 440 track. He is pleased with the work done on the new track and believes that when work on it over a couple of years is finished it will be one of the finest in the province.

May is always the big month for the runners and jumpers and field games in the Okanagan, and already one of the Valley's top meets has been run off. In it, last Saturday at Penticton, Kelowna High walked off the field with its fifth Penticton conquest in succession and with the most decisive one yet.

### VERNON THREAT

This coming Saturday it will be Summerland's turn to stage its annual AOTS meet. Kelowna came away with top honors in the first such attempt last year. This meet, like the one at Penticton last Saturday, will see the cream of the valley crop competing.

The 25th Okanagan high schools meet, here on the 17th, rotates among the three major cities yearly. Kelowna is the reigning champion in this classic too and from indications so far stands an excellent chance to hang on to the crown.

Only tussle for the top award is expected from Vernon, so far untested this year in actual combat. Vernon had a small team of boys in the Penticton meet and these showed up well.

Vernon's Bill Desimone, who topped the senior 220 at Penticton and ran second to Black of Okanagan in the 100, generally is regarded now as the fastest sprinter in senior boys ranks at the present time. Don Nolan and Mel Garbutt are a couple of Vernon junior boys who will cause the Golden Owls to show hustle-plus.

Vernon press reports proclaim that VHS has strengthened its relay teams for the 1953 meet. Relay teams have been a weakness at Vernon the past few seasons while with Kelowna, they made all the difference between victory and defeat a couple of times, last year particularly.

The new Kelowna track will get its second major usage on June 28 when Kelowna Athletic Round Table hosts some of B.C. prime athletes for the annual Interior championships.

## PAUL BACH AGAIN HEADS BALL LEAGUE

RUTLAND—The annual meeting of the Central Okanagan League (twilight) was held at the Community Hall on Monday evening with representatives from Rutland, Winfield and Oryana present. Paul Bach, of Rutland, was again chosen president, and Ed Gallagher, of Oryana, re-elected secretary-treasurer for the ensuing year. Three teams are certain, Oryana, Winfield and Rutland Redcaps. The Rutland Bluecaps were not represented, but it is hoped to have a second entry from Rutland, to make a four-team league the same as last year. There was some talk of a possible entry from Kelowna, but there is nothing definite as yet. It is planned to get the league underway by Thursday, May 15, with games every Tuesday and Thursday evening until the end of June. Any teams interested in entering should contact the president or secretary immediately.

## TRAPMEN WATCH STRAIGHT SHOOT

Local clabusters, taking in the semi-monthly shoot of the Kelowna and District Rod and Gun Club's trap section Sunday, had a distinguished personage in their midst. He was Hal Straight, former sports editor of the Vancouver Sun and now managing editor. Okanagan champ Gordon Finch chalked up the only perfect 25 to pace the small turnout. Scores were: Finch 25, 20; Garaway 24, 21; Rae 22, 21; Jenaway 22; Pollock 20; Straight 20; Treadgold 19; Smith 19; Mrs. Smith 19 and 15. Many of the local scattergunners are expected to take part in an invitational inter-city shoot at Summerland May 18.

### No Sign of the Times But Lady Bowlers Note

Looking well ahead is the Ladies' Commercial Fivepin League at the Bowladrome. All teams wishing to bowl next season should get in touch at an early date with the Bowladrome or league officials, who are anxious to build the league up to 16 teams again.

GOLF PLAY AT VERNON  
The twenty-second annual Fruit Shippers Golf Tournament will be held in Vernon this year, May 19 and May 20.

## PENTICTON TRACK MEET RESULTS

Following are the results of the 40 events in the annual Penticton Kinsmen track and field meet Saturday, won by Kelowna High School in convincing fashion: (See code below).

Senior boys 120 hurdles—1, Moore (K); 2, Friend (P); 3, Waters (O). Time 15.2 secs.

Girls 65 yard hurdles—1, McMurdo (K); 2, Raitt (P). 10 secs. (new record).

Intermediate girls 65 hurdles—1, P. Childerstone (K); 2, Goldfuss (SO); 3, Innis (SMD). 11 secs.

Senior boys broad jump—1, Nolan (V); 2, Moore (K); 3, Guidi (S). 19 ft. 6 in.

Intermediate boys' broad jump—1, Towgood (SLD); 2, Aston (O); 3, Serva (K). 17 ft. 7 in.

Senior girls' softball throw—1, McKee (P); 2, Armstrong (K). 165' 8".

Intermediate girls' softball throw—1, Ghezzi (K); 2, Dennis (P); 3, Goldfuss (SO). 167' 8".

Senior boys 100—1, Black (O); 2, Desimone (V); 3, McKenzie (K). 10.8 secs.

Intermediate boys 100—1, Jaquish (O); 2, Henderson (P); 3, Moyer (K). 11.6 secs.

Discus, open—1, Johnson (K); 2, Shipplet (SO); 3, McCormick (O). 115' 8".

Junior girls 50—1, Fleck (K); 2, Marshall (R); 3, Hooker (SLD). 7 secs.

Junior boys 75—1, Briscoe (K); 2, Black (O); 3, Wilson (SO). 9.2 secs.

Senior girls 75—1, Oatman (K); 2, Hutton (SO); 3, Bird (P). 9.6 secs.

Senior boys 880—1, Barlee (K); 2, White (P); 3, Fry (K). 2 mins. 10 secs.

Junior boys high jump—1, Casey (K); 2, Stafford (O); 3, Eraut (SO). 4' 7 1/2".

Intermediate boys high jump—1, Hamans (O); 2, Towgood (SLD); 3, Serva (K). 5' 2 1/2".

Intermediate girls broad jump—1, Lipsett (K); 2, Ewers (SO); 3, Gale (P). 15' 6 1/2" (new record).

Senior boys 220—1, Desimone (V); 2, Cox (O); 3, McKenzie (K). 2.5 secs.

Senior girls broad jump—1, B. Childerstone (K); 2, Raptis (P); 3, Parrott (SLD). 14' 5".

Junior girls high jump—1, Mang (SO); 2, G. Fleck (K); 3, Walker (P). 4' 2 1/2".

Senior boys pole vault—1, Cox (O); 2, Schmunk (SMD); 3, Marr (K). 9' 3/4".

Junior boys broad jump—1, Briscoe (K); 2, Wilson (O); 3, Anthony (P). 15' 1 1/2".

Intermediate boys 220—1, Jaquish (O); 2, Moyer (K); 3, Gemmell (S). 25.9 secs.

Senior girls 100—Oatman (K); 2, Raitt (P). 12.9 secs.

Intermediate girls 75—1, Lipsett (K); 2, Evans (SO); 3, Schmunk (SMD). 9.8 secs.

Shot put, open—1, Butler (P); 2, Shipplet (SO); 3, Nolan (V). 42' 3".

Junior girls broad jump—1, Kraft (R); 2, Ewers (SO); 3, Anthony (P). 15' 1 1/2" (new record).

Senior boys 440—1, Black (O); 2, Geen (K); 3, Prendergast (SO). 54.5 secs.

Junior girls 300 relay—1, Rutland; 2, Kelowna; 3, Penticton. 39.2 secs.

Intermediate boys pole vault—1, Burdett (O); 2, Tannent (P); 3, Burnett (K). 10 ft.

Intermediate girls high jump—1, Van Santen (SMD); 2, Herbst (K); 3, I. Menu (SLD). 4' 3".

Senior boys high jump—1, Walters (O); 2, Keiss (SO); 3, Brown (V). 5' 6".

Senior girls high jump—1, Van Santen (SMD); 2, Ghezzi (K); 3, Goldsberry (SO). 4' 3 1/4".

Junior boys 300 relay—1, Kelowna; 2, Summerland; 3, South Okanagan. 36.2 secs.

Intermediate girls 300 relay—1, Kelowna; 2, South Okanagan; 3, Penticton. 37.9 secs.

Intermediate boys 440 relay—1, Penticton; 2, Omak; 3, South Okanagan. 50.4 secs.

Senior girls 440 relay—1, Kelowna; 2, South Okanagan; 3, Penticton. 55.5 secs.

Senior boys 880 medley relay—1, Kelowna; 2, Omak; 3, Vernon. 1.43.

One mile, open—1, Barlee (K); 2, Johnston (P); 3, Liven (SO). 4:52.

CODE—K (Kelowna); O (Omak); P (Penticton); R (Rutland); SMD (Summerland); SO (South Okanagan).

### TWO FOR KOGA

## Ads Remain Unbeaten To Stay on Top

Big figures were posted in all departments Sunday as the Rutland Adanacs shellacked Winfield 16-1 in a B.C. Interior Baseball League game at Winfield.

The Ads slashed out 13 hits, garnered eight walks and stole 11 bases. Each club left 12 runners stranded on the bags.

Mits Koga kept the Adanacs in a tie for first place (both Rutland and Revelstoke are unbeaten so far) by pitching his second win of the season. He scattered five hits and struck out 12.

A solitary run in the third inning spoiled a shutout for Mits. At that

it was a borderline case, with the runner called safe on a disputed steal home.

The tilt was pretty well sewn up in the first frame when Ads crossed the rubber six times, chasing Steve Melnichuk to a right field post. Reliever Lloyd Duggan was in trouble most of the time, finally giving way to Len Wickenheiser in the seventh. Wickenheiser was the only one who seemed to have some control.

Tony Senger had a bang-up time at the plate, getting four for five including a triple, scoring three times and stealing four bases, including home. Jim Kitaura also made a perfect steal home.

Doug "Boom Boom" Stranaghan beat out three for five. Bob Campbell played a solid game with two hits and three stolen bases. Winfield Aces showed a lot of respect for Bob's arm, making no attempt to steal second.

First baseman Bob Morris sparked for the Winfielders, acting for two hits and handling 12 putouts flawlessly.

Ads will be the fifth team this Sunday, idle while the other four go at it. Next Rutland game will be May 18 when Adanacs entertain Vernon. Games this Sunday will be Vernon at Winfield and Revelstoke at Kamloops.

## Head of East Kelowna Community Hall Association Gives Outline Of Activities During Past Year

EAST KELOWNA—A comprehensive review of the activities of the East Community Hall Association was given by R. A. Widmeyer, at the annual meeting held last Monday. Mr. Widmeyer referred to the number of improvements made to the building during 1951 and the healthy financial position of the organization.

In the election of officers, the following were chosen directors for two-year periods: R. A. Widmeyer, C. Ross, E. A. Middleton, Rex Fitzgerald, H. Ward and Peter Stirling. Mrs. H. R. Perry, Mrs. Joan Smith, Mrs. V. Murrell, W. Ratcliff and G. Porter were named directors for one year.

Tendering a written report, Mr. Widmeyer said purpose was not to point out what the organization has accomplished, but rather to compile a short history of the different committees who have worked so loyally and so well. Mr. Widmeyer said it had been the chief aim of the board to inform the entire community of activities and progress made from time to time. Meetings had been conducted in an atmosphere of co-operation and harmony, he said.

Mr. Widmeyer paid tribute to the retiring board, "... under T. R. Carter, who left us with a surplus in bonds of \$780. These Canadian bonds we have managed to keep intact in spite of the work that has been accomplished. After memberships and dances, we were in a fairly good financial position and we immediately adopted a policy of optimism together with careful planning which has brought results. "First of all we were under orders from the fire marshal to bring the heating plant up to provincial regulations and from the health department to install a double sink in the kitchen.

T. R. Carter and G. D. Fitzgerald agreed to carry on as a committee to see this work to completion, and we are now able to report the work has passed inspection, and will give years of service. All this has been paid for out of current revenue. Those who worked on the furnace detail have the satisfaction of a job well done.

"Frank Christie has our thanks for the cabinet work in the kitchen and we have heard many favorable comments. **ERECT FLAGPOLE**  
"The flagpole was erected with a ceremony in which Boy Scouts, Brownies and school children took part. Mrs. G. D. Fitzgerald presented the flag and Messrs. Ross and Neld procured and erected the flagpole.

"Rain troughs were erected over the new addition and porch entrance. A. W. Rowles headed this committee, and the material was donated by Peter Stirling. "We especially wish to emphasize and acknowledge with thanks those who helped with the 'wood bees,' and used their equipment. We now have a very substantial wood bank. On Feb. 28 the community assembled for a social evening, when dancing and a variety concert was enjoyed. Life membership certificates were presented to T. R. Carter, G. D. Fitzgerald and H. R. Perry. Mrs. Joan Smith handled the kitchen with efficiency and dispatch.

"The office of secretary-treasurer was separated. E. O. Middleton acting as treasurer and R. C. Pethybridge, as secretary. This has proved satisfactory, together with C. Ross as vice-president, and the chair constitutes the executive of the board. Further organizational work is done by standing committees, which were named at our first meeting and have needed no changes. **CHANGE CONSTITUTION**  
"A special problem confronted the board, as it was found necessary to make certain changes in the constitution. The 1950 annual registration had been held up by the department under the Societies Act. Two meetings were held in conformance with the act and the necessary changes incorporated in the constitution. You now have

**STOP**

## Elks Sponsor Flag Day For Children on July 1

B.P.O.E. Lodge No. 52, Kelowna, has announced that Dominion Day, Tuesday, July 1, will be Elks Children's Flag Day.

It will be held in The City Park at no cost whatsoever to the children. Strips of tickets will be issued by the Elks. The kiddies in turn can exchange these for ice cream cones, etc.

There will be various competitions such as races, pie eating contest, etc. The giant children's parade will feature a large Elks float and members of the local lodge will march in uniform.

Purpose behind the idea is to instill in the children of Canada, the meaning behind the Canadian flag, so that they will understand what it stands for, that the freedom

attended and kept the minutes of fifteen meetings of the hall board and one extraordinary general meeting.

Twenty-nine letters have been received and 26 written. The board is composed of eleven members, with an average attendance per meeting of nine for the year, he said.

"I would like to thank all members of the retiring board for their help and friendly aid they have given me during the past year."

The following resolution was presented by Rex Fitzgerald:

"Your board found it expedient to appoint a secretary-manager for the past year, who was not an elected member, and whereas this appointment has proved quite satisfactory to all concerned and is adequately covered under our present constitution, if confirmed by the annual general meeting, be it therefore resolved that the board be given the authority to appoint a secretary-manager for the ensuing year."

He paid tribute to the secretary for his work and co-operation during the past year.

The meeting adjourned and refreshments were served.

## HISTORIC COACH

NEW GLASGOW, N.S.—A coach, or barouche, has been presented to the town for use at civic functions. The venerable conveyance is a gift from the 100-year-old Church Livery Stables, and was presented by heirs of John D. Church who died recently.

## TRIP FROM ARCTIC

MONTREAL—Because he was wanted as a witness in a court case here, Sgt. Victor Cormier of the Royal Canadian Mounted Police came out of the Arctic circle before his leave was due. He travelled by dog team, airplane and train to testify in a damage claim against the crown arising from an accident here more than a year ago.

## History of New Zealand Is Reviewed By Speaker

KELOWNIANS got a lesson in geography by a distinguished speaker on Friday night.

His Excellency T. C. A. Hislop, CMG., high commissioner from New Zealand, addressed a joint meeting of the Kelowna Canadian Club and the Kelowna Kinsmen Club, and the good-will ambassador gave a graphic description of the "land down under."

Mayor of Wellington for 13 years, capital city of New Zealand, the speaker quickly dispelled the illusion that New Zealand, and Australia are close together. Actually they are 1,250 miles apart, he pointed out.

New Zealand's population is only one-seventh of Canada's; the area, 100,000 square miles, is the same size as England and Scotland, while it could be put—physically speaking—40 times into this vast country. Although New Zealand is 1,200 miles long, averaging from 50 to 200 miles in width, the country possesses every type of scenery.

There are mountains ten to twelve thousand feet high, "with everlastings snows and year-round skiing." Some coastal regions resemble Norwegian fjords, except that the rocks are covered with evergreen foliage which bursts into riotous foliage.

Towering waterfalls, beautiful lakes, hot springs, finest fly fishing in the world, are also to be found. Actually, New Zealand is a two-island country, climate in general being like parts of British Columbia. Summer temperatures vary from 75 to 80 degrees. Coldest temperatures to 40 degrees above zero. Cattle and sheep thrive on vast acres of rolling pasture land.

"Denizens of Canada"—moose—are even found here. But these are located in the impenetrable fastnesses of awesome regions and tremendous toll results before such game can be brought out.

"We live essentially upon grass, by proxy, that is," remarked the speaker. It is of such quality that New Zealand has become the greatest exporter in the world of dairy products such as butter and cheese. "We are grateful to Providence. We have endeavored to utilize our land and preserve its productivity," he said. In meat exports, New Zealand again is in the forefront, being next to Australia in mutton exports.

Changes have occurred insofar as the British market is concerned but by the end of the year New Zealand will export more meat than Argentina and Australia together.

In giving a philosophical outline of social changes in the country, His Excellency said there had been "experiments and explosions." New Zealand gave women the vote in 1900, the first country in the world to do so. Old age pensions were introduced in 1900. During 1929 the slump came. The Socialist party came into power in 1935 with resultant social security schemes being brought in. The socialists remained in power for fourteen years but were finally defeated in 1949.

As far as the social security schemes were concerned, there was no division between political parties, he said. All those over 16 years of age paid 1/4% of their income into the social security fund. This looked after a variety of services. Old age pensions, payable at 60, require a means test, although one may own their own house. Widows' benefits are also included in the scheme. As for the latter, unemployment, it is negligible; New Zealand would welcome 30,000 new settlers tomorrow.

The south Pacific dominion also has a good medical scheme and the infant mortality rate is the lowest in the entire world. In describing the two opposing government parties in New Zealand today, Mr. Hislop said that they might be described as (1) endorsing a minimum of direction and control through the state, and (2) in favor of full control and direction through the state.

The railway system is owned by the government, but it doesn't pay. "I understand there are other railways like that," he jocularly remarked.

In tracing the history of New Zealand, the high commissioner credited Captain James Cook with finding in 1769, making the country a realm of Great Britain. Organized government began in 1840. Ninety-five percent of the people are of British origin, being either English, Irish, Scottish or Welsh. Settlers also came from Scandinavia, Denmark, etc.

There are 100,000 Maoris, he said, adding that "we get along fine with our Maori brethren. They are capable of great intellectual development."

great traditions and defend the things we believe in, and face the future, with God's help, with hope and confidence."

Commenting on the number of New Zealanders who trained in Canada during the last war, the distinguished visitor said that he got countless letters from them requesting that he say hello to Canadian friends here.

His humorous anecdotes, colorful descriptions of scenic beauty such as the gorgeous scarlet Pohutukawa blossoms, and New Zealand's unshakable devotion to the British Empire, made it a memorable address.

W. B. Hughes-Games thanked the Kinsmen for co-operating with the Canadian Club, and stated this would be the last meeting until September. An executive meeting of the Canadian Club will be held shortly to discuss a concerted membership drive. It is felt a larger membership should be forthcoming.

## HOW TO SAVE TIME AND MONEY, TOO

Bank by mail. To thousands of busy Canadians, these three words rank among the practical secrets of success. Banking by mail helps them save small sums of money that might otherwise be frittered away—and in the same way they avoid the risk of keeping larger amounts at home. They save time, too.

Your mail-box is open night and day. Let the postman be your bank messenger. Fred Baines, manager of the Bank of Montreal at Kelowna, invites you to build up your savings account and your leisure-time together, through banking by mail. Write Mr. Baines today for more information. His prompt, helpful reply may well save you time and trouble.

from a city of this size.  
C. G. Beeston thanked the speaker.

The Kelowna Board of Trade feted the guest of honor later on in the evening at the Kelowna Golf and Country Club.

## TRANSMISSION SUPT. NAMED BY POWER CO.

West Kootenay Power and Light Company announced today that E. M. Coleman has been appointed superintendent of transmission and

will be responsible for the operation and maintenance of all high voltage transmission lines and step-down transformer stations on the system. The appointment was effective May 1.

Mr. Coleman served four years with the R.C.A.F. in the last war following which he attended University of British Columbia and graduated in 1949 with the degree of B.Sc. in electrical engineering.

Following graduation he was employed by The Consolidated Mining and Smelting Company of Canada, Limited and transferred in December, 1950 to the West Kootenay Power and Light Company.

Mr. Coleman is married and has two children, and resides in Sunningdale.

## LOCAL PLAYOFF GAME HELPS VERNON ARENA

VERNON—Vernon civic arena lost \$500 on its March operation, but for the B.C.A.H.A. Nanaimo-Kelowna play-off game, would have been twice that amount in the red.

The Clippers-Packers game yielded \$2,277, against an expenditure of \$1,756. Total revenue was \$4,948, expenditure \$4,839.

"There is a slight deficit this month," reported City Council arena representative Ald. D. D. Harris at Monday's meeting of the Council, "and that is running true

to style; but it is better than it used to be, I think." Skating produced \$131 in March, commercial hockey \$194, minor hockey \$1,335. On the expenses side, wages accounted for \$725, light and power \$388, taxes \$583. Minor hockey cost \$963.

**WITHDRAWS RESIGNATION**  
KAMLOOPS—At the urgent request of fellow-trustees and of many of the landowners, J. K. Barnes has withdrawn his resignation as trustee of B.C. Fruitland Irrigation District.

**DONATE JAPANESE TREES**  
KAMLOOPS—Japanese Canadian Citizens League has donated eight more Japanese Cherry trees to the parks board.

## Exhibition Projects Plan Communists Are Attacking

FOUR RUNNERS, representing the four main races of Ceylon, performed the opening ceremony of an exhibition recently held on the island by delivering four messages to be read by four girls in their native tongues. The exhibition detailed with exhibits from 16 countries the British Commonwealth's project (costing the equivalent of \$9½ billion) for raising the living standards of a quarter of the earth's people living in South-East Asia. It preceded an American-attended meeting of the Plan's Consultative Committee, the announcement of which brought on growing Communist verbal attacks.

## Under the Tower At Ottawa

By O. L. JONES, M.P.

Ottawa, April 30.  
Hon. James G. Gardiner, minister of agriculture, was faced with a barrage of criticism over his refusal to produce correspondence that had reached Ottawa from Saskatchewan in connection with the foot and mouth disease. Six weeks ago, the House unanimously approved the tabling of these papers but Mr. Gardiner chose to withhold them without giving the reason until forced to do so by John Diefenbaker. It then turned out that some of the letters could be used to the detriment of members of the civil service. Mr. Gardiner gave this as his reason for withholding them. On the other hand, the Commons took the view that the minister of the crown had defied an order of parliament and were determined that such high-handed methods would not be tolerated. It all ended peacefully when Mr. Gardiner tabled the above-mentioned papers.

We had another flare-up earlier in the week when Ross Thatcher, member for Moose Jaw in speaking in the budget debate suggested that savings could be made by cutting down various expenditures most of which one could approve of but when he suggested savings at the expense of old age pensioners and retired civil servants he aroused the wrath of his colleagues in the CCF group as the expressions he gave voice to were purely his own. Mr. Alastair Stewart sponsored a resolution seeking the co-operation of Canada with the NATO nations with a view to bringing about a permanent North Atlantic economic and defence unit. Mr. Stewart made it quite clear that while he believed in Atlantic union as the best way to strengthen the North Atlantic Treaty Organization, he was in no way opposed to the United Nations in their work but rather felt that by building up NATO, the United Nations would benefit as well. Speaking personally he said "that he would like a union of countries including the United Kingdom, United States, France, Belgium, the Netherlands, Luxembourg and Canada so that we might enjoy a common foreign policy, a common defence policy, common currency, common citizenship and of course a common policy of trade."

Mr. Pearson, on behalf of the government agreed with the principle of the resolution, namely that we should encourage every method of co-operation within NATO which would strengthen that body.

**LOSS OF TRADITION**  
Mr. Low on behalf of the Social Credit expressed their distrust of any international set-up where Canada might have to forego some of her sovereignty. Mr. Poultice also took exception to the idea of a united world. He feared the loss of our traditions and customs as an independent race should such a union be brought about. However, the motion was agreed to unanimously.

The committee on defence expenditure has resumed its meetings after the Easter recess. So far we have been studying a vast volume of figures and other information relative to our defence commitments. The committee sought to discuss the recent thefts at Petawawa camp but the chairman disallowed the request to have this matter discussed in the ground that persons involved were yet to appear in a court of law and any discussion that might take place in connection with this could prejudice their case. Later on the subject will be reintroduced after the trial has been disposed of.

**PENSION SCHEME**  
The Canadian National Railway pension scheme was under discussion when it was revealed that 3,250 ex-employees were in receipt of a pension amounting to only \$25 per month. Several speakers taking part in the debate urged the government to set an example by improving the pension scheme and at the same time taking care of the

ex-employees who are retired on this very low pension. This suggestion has been passed on to the house committee on railway matters.

The absence of Finance Minister, Abbott from Ottawa during the debate on the budget came in for strong criticism by the leader of the opposition.

Parliament at this time is discussing, supposedly, examining the major government measure of the session, the budget. Yet we had the extraordinary spectacle—one, we believe, without precedent in all the years since confederation—of the minister of finance being absent. From Wednesday through the rest of last week, Mr. Abbott was not in the House, and he was not in the House on Monday of this week. Further, not a single member of the cabinet deigned to answer or in any way take notice of the criticisms or suggestions of the opposition, or the criticisms or suggestions of other private members.

A budget, in many ways the most vital in our history, was discussed in a vacuum, with debate bereft of that meeting of minds or examination of opinions without which parliament becomes unrealistic, meaningless, a utility.

If Mr. Abbott's absence from the House was compelled by some grave international engagement, or compelled by disability, no cause would exist for complaint. But Mr.

Abbott's absence from the House last week and his absence from it thus far this week was not and is not due to either of these reasons.

And this incident of Mr. Abbott, absent for a week in the United States, while his budget is before parliament—the prime minister did not as much as deem it worthwhile to mention the matter to the House—is not an isolated example of the government's disdain for parliament.

## RECONSTRUCT MAIN HIGHWAY AT VERNON

VERNON—The provincial government maintained arterial highway through Vernon, routed in the downtown area along 32nd Street, is to be reconstructed almost at once. A survey to determine grades and cost will begin "as soon as possible," and reconstruction work will be started at the completion of that survey.

In announcing the government's decision, lands minister E. T. Kenney attributed some of the delay in completion of 32nd Street to possible interference with City services such as sewers, water services. He has now been advised by the City that such interference is unlikely.

News of the proposed reconstruction work came to former M.L.A. C. W. Morrow, Q.C., in a telegram from Mr. Kenney. The telegram read:

"Due to fact that arterial highway reconstruction involved interference with city services such as sewers, water services etc. it will be absolutely necessary to carry out a survey before any indication can be given as to the cost of this work. Instructions have been given to our location engineer to undertake this survey as soon as possible."

"A complete survey is necessary to determine if present base is adequate for construction of final paved surface and also to determine

proper grade to fit as nearly as possible the adjacent properties. Work will be started at completion of survey."

"In the meantime road will be maintained in best possible condition."

"E. T. KENNEY."  
At last week's City Council meeting, it was pointed out by aldermen and city officials alike that sewers and water services had been laid down three years ago in anticipation of reconstruction, that

proper consolidation had taken place and that resurfacing and hard surfacing work would have no effect on the present city services.

It was decided to send a telegram to Mr. Morrow, presently attending the Liberal convention in Vancouver, advising him of the situation.

Mr. Morrow's telegram was also read at Tuesday night's meeting of the Board of Trade by highways chairman E. C. Brown. General satisfaction was the reaction.

## Answers to a few questions about ALTERNATIVE VOTING

**Question:** What is Alternative Voting?

**Answer:** A form of voting which allows the voter more than one choice in the marking of his ballot.

**Question:** What is the purpose of Alternative Voting?

**Answer:** To prevent the election of a candidate on a minority vote.

**Question:** How does a voter mark his ballot under Alternative Voting?

**Answer:** He marks his ballot in the order of his preference by using the figure 1 for his first choice, the figure 2 for his second choice and so on.

**Question:** May a voter vote for one candidate only, in other words, "plump"?

**Answer:** Yes.

**Question:** Is "plumping" or voting first choice only considered advantageous?

**Answer:** No. Suppose a voter marks only one choice: that voter has virtually said to the Returning Officer "I am only interested in my No. 1 choice". Upon distribution of the low candidate's ballots to the remaining candidates, the ballot of a voter who voted one choice only, cannot be further dealt with. It is, in other words, an "exhausted ballot". Such a voter simply deprives himself of full participation in the contest.

CUT OUT THIS MESSAGE FOR REFERENCE AND DISCUSSION.

Fred H. Hurley . . . Chief Electoral Officer

**PROVINCE OF BRITISH COLUMBIA**

## 24-HOUR A DAY SERVICE SOUGHT AT BORDER POINT

PENTICTON — The Pentiction Board of Trade has commenced action to have the border point at Osoyoos open on a 24-hour basis. It is felt that the increase in traffic through this border point warrants a 24-hour service and representations are being made to the proper Canadian authorities in this connection.

All boards of trade in the valley as well as the Southern Okanagan associated boards of trade are being asked to lend their support to this move. In addition, the cham-

bers of commerce from Wenatchee to Oroville are being contacted in an endeavor to have them pursue the matter with the proper American officials.

### MODERN BUILDING

"We can see no reason why the Oroville-Osoyoos border point should not be open on a 24-hour basis, as it carries traffic very similar to that of the Sumas-Hunt-Ingdon border point which gives a 24-hour service. The fact that spacious new buildings have been provided at Osoyoos indicates that there is an ever-growing amount of traffic through that point and the completion of highway No. 97 to Alaska is going to again increase traffic," A. G. Schell, president of the Pentiction board, declared in announcing the campaign.

## QUEEN IN FIRST PUBLIC APPEARANCE

IN THE FIRST PUBLIC ENGAGEMENT of her reign, Queen Elizabeth II walks past an honor guard of Yeomen at Westminster Castle. Her Majesty appeared pale but composed.

## Kelowna In Bygone Days

From the Files of The Kelowna Courier

### ONE YEAR AGO

May, 1954

Third instance of serious injury or death to cyclists caused by hit-and-run drivers within the past five years sent Arthur G. Chamberlain to hospital suffering from head injuries, bruises and shock. Two of the three drivers responsible have not yet been caught.

Public ward rates at Kelowna General Hospital have been increased to \$8.28 daily and co-insurance payments to \$2.50 daily.

As the final curtain fell on the Silver Anniversary Okanagan Valley Musical Festival here, 11 of the 14 special anniversary scholarships were won by Kelowna contestants.

Latest development in the long dispute between City Council and RCMP over rental of quarters in the City Hall was a threat by Commissioner S. T. Wood to withdraw the RCMP from Kelowna. The city has placed the matter in the hands of Attorney-General Wismer.

Rev. R. S. Leitch of Wayburn, Sask., has accepted a call to the pastorate of First United Church here. He succeeds Rev. E. E. Barker.

Dr. W. J. Knox will leave here late this month for Kingston, Ont., to receive an honorary Doctor of Laws degree from Queen's University.

The city fathers have issued instructions to clamp down on dogs roaming the city at large.

### TEN YEARS AGO

May, 1942

Apple price statements, now going forward to growers, indicate that the prices of last year's crop will range as high as 40 cents a box more on some of the better varieties and that generally the prices were 25 percent better than the average price obtained during the five-year period just previous to the outbreak of World War II.

The local branch of the Red Cross Society, is beginning a drive to raise \$10,000. C. R. Bull is chairman of the drive.

The Kelowna High School Journalism class set a precedent in weekly newspapers by taking over publishing of the May 7, 1942, is-

David William Crowley, who came to Kelowna in the 1890's and was one of the founders of the Kelowna Aquatic Association, died April 30 at 82 years of age.

A cheque was received by City Council from the hockey club for \$21.48, representing 25 percent of the gross proceeds of the hockey games staged by the club during the winter.

Pentiction has an acute dog problem and has hired Kelowna's dogcatcher, W. Blackwood, to clear it up.

### TWENTY YEARS AGO

May, 1932

The death of John Casorso had the whole district in mourning. He had every claim to the term "pioneer," for he literally hewed and dug for himself, out of the wilderness, a homestead that he developed into one of the "most" fertile farms in the district.

Despite the burden of over \$9,000 thrust upon it by the Provincial Government as Kelowna's estimated share of the cost of social services, City Council, by rigid pruning of estimates, managed to keep the increase in the tax rate for 1932 down to one mill instead of the threatened 3 1/2. The 46-mill rate included general, 11.37; civic debt, 18.55; schools, 18.08.

Seventh annual Okanagan Valley Musical Festival, held in the Kelowna Scout Hall, maintained the high standards of previous years, although there was a regrettable absence of urban school choirs. The adjudicator, Dr. Arthur Collingwood, dean of music, University of Saskatchewan, was appreciative, declaring that the atmosphere and environment resembled the original type of English-musical festival.

### THIRTY YEARS AGO

May, 1922

First annual general meeting of the reorganized Kelowna Lawn Tennis Club saw the following elected: Dr. B. F. Boyce, president; E. Dart, vice-president; A. G. H. Carruthers, secretary; treasurer, committee—Mrs. J. V. Lyell, Mrs. H. G. M. Gardner, Colonel Benson, Major Collier, W. M. McEneaney, R. H. Stubbs, F. Laxon, R. H. Hill, H.

G. M. Gardner.

Largely through the good offices of the Kelowna Women's Institute, aided by Dr. H. E. Young, provincial health officer, Kelowna obtained the services of a public health nurse, the first appointee being Miss Janet E. Hardy. The salary and expenses of the nurse were to be financed by grants from Victoria and City Council and subscriptions from the Women's Institute, I.O.D.E. and other local organizations.

### FORTY YEARS AGO

May, 1913

Coates, Edwards & Gowen received three fine Tudorhope motor cars Saturday and all have been disposed of already. The shipment consisted of two four-cylinder autos and one six-cylinder. The latter, the first six-cylinder car to arrive in Kelowna, was purchased by Sam Elliott.

An important real estate transaction was completed by the purchase of H. Renwick's property by the British North American Tobacco Company. The company now has 100 acres of fine land for production of high-class cigar leaf.

The proposal to advance local time one hour (daylight saving time) from May 1 to August 31 has fallen through, owing largely to an unexpected amount of opposition from the hotels.

B. Munson's portable sawmill, engaged in sawing at the Kelowna Fruit Lands Company's camp, was destroyed by fire of unknown origin. Loss, set at \$8,000, was not covered by insurance.

Six money-by-laws, submitted to the ratepayers May 1 for approval, received endorsement by emphatic majorities.

### DEFUNCT CALVES

CORNWALL, Ont. — Quintuplet calves were born to a cow on the farm of Leo Gibeault at Chrysler in Stormont County recently, but all the calves were dead at birth.

### EXPENSIVE MEAL

DELBORNE, Alta. — (CP) — The steak dinner that a woman visitor to Delburne ordered recently cost her \$215. A small piece of steak became lodged in her throat, necessitating x-rays, major surgery and five days in hospital.

### BIG NEW HOME

MELFORT, Sask. — (CP) — Construction has started on the new \$750,000 Home for the Aged here. The building is expected to be completed and ready for occupancy in 1953.

## OKANAGAN CENTRE

OKANAGAN CENTRE — The May meeting of the Centre Women's Institute was held on the first of the month at the Community Hall, a week earlier than usual due to the district rally which was held at Naramata on Wednesday.

This was the first gathering held since the annex (the small room) was renovated, walls and cupboards painted, floor cleaned and varnished—all this done by six or seven members of the Institute working several days last week. The cost of material, was voted by the Institute.

After routine business was concluded a roll-call was answered with surprise packets to be vended at the annual spring sale and entertainment which will be held at the Community Hall on May 30.

Two one-act plays will be presented while home cooking, needle work, garden, candy, and rummage sale stalls will be set up.

Mrs. Baker, teacher of the nursing class which has been in session weekly since Feb. 1, gave her report and presented certificates of proficiency to a half dozen members who had completed the course.

Resolutions, twelve in number, which will be voted on at the coming provincial conference in Vancouver, were read and discussed.

During the tea hour, Mrs. H. Gled and Mrs. Harry served refreshments.

Miss Sykes motored to the coast recently on a business trip and was joined later by Miss Richardson who went down by bus.

J. Uhrich left recently for Vancouver. He plans heading north for employment.

# B.F. Goodrich TUBELESS TIRE PROTECTS AGAINST BLOWOUTS!

TIRE WITH INNER TUBE BLOWS OUT SUDDENLY...

BUT B.F. GOODRICH TUBELESS TIRE LOSES AIR S-S-S-SLOWLY

### CHANGES BLOWOUTS TO SLOWOUTS

Most blowouts start when you don't know it. A curb or a hole bruises the cords inside your tire. As the tire flexes, a break occurs at the weak spot and the inner tube is forced into the gap. Here it is pinched and rubbed until suddenly, miles or perhaps days later, when you don't expect it, the tire blows out.

But with the B.F.G. Tubeless Tire there is no tube to blow out. The air-retaining lining is actually a part of the tire itself. If damage does occur, it can only cause pinhole leaks in the lining that lose air so slowly you have miles in which to make a safe, easy stop.

### PROVEN ON THE ROAD

Developed, tested and perfected by B.F. Goodrich, the Tubeless Tire has been used in the U.S.A. for over four years by thousands of motorists. Their reports of phenomenal, trouble-free mileage are your best guarantee that this is the finest tire you can buy today.

### PROTECTS AGAINST PUNCTURES

A layer of special sealant rubber under the tread sticks to any puncturing object and prevents loss of air. When the object is removed, the puncture seals itself instantly and permanently.

### PROTECTS AGAINST DANGEROUS SKIDS

The B.F. Goodrich Tubeless Tire has an amazing new tread with thousands of

flexible rubber "grip blocks"... spaced 16 to the inch. These tiny blocks grip the road like a tank tread. In wet weather their flexible action wipes the road dry for safe, sure traction... so dry you can actually light a match on the tire track.

The B.F. Goodrich Tubeless Tire fits your present rims. Scientifically designed tire bead with rim-seal ridges forms an air-tight pressure lock against the rim... can't come off... won't lose air. IT'S THE ONLY TIRE THAT PROTECTS YOU FROM ALL THREE DRIVING HAZARDS... BLOWOUTS, PUNCTURES AND DANGEROUS SKIDS.

Your neighbourhood B.F. Goodrich dealer has the Tubeless Tire now.
